Wednesday Skeet League

The Grand Prairie Wednesday Skeet League finished on May 23. Six teams battled each other over 7 weeks, and a great time was apparently had by all. We had a full complement of 30 shooters. The results:

"Lost & Dead," consisting of **Rick Stockstill, Jack Martin, Josh Wells, Rusty Porter** and **Wayne Johnston** took first place. The ever popular team "Deb & Duh Boys," consisting of **Debra Altenbaumer, Ken Flippin, Robert Stack, Dave Bengé and Glenn Hughes** made a hard charge and wrangled runner-up from the "Claybusters" on the final night of shooting. Belt buckles were awarded to members of the League Champs and Runner-Ups. The rest of the teams were: "Mental Ward" who tied with the "Claybusters," "The Fun Bunch," and the "Misfires."

Individual awards went to: **Debra Altenbaumer** for Most Straights (7 out of a possible 12), and **Rick Stockstill** for High Overall. Final standings and individual statistics are posted on the clubhouse bulletin board.

Don Yeandle was, by far, the Most Improved shooter. He improved his average by 1.36 targets from Week 3 until the final night of shooting. Good work, Don !! Of course, was quick to place the blame, er... "credit," on some of his more "mature" squad members.

Recipe Corner

Chicken Fried Steak

from The 50 Best

2-1/2 to 3 lbs. round steak
1 5-ounce can evaporated milk
2 Tbsp. green Tabasco sauce
1/2 tsp. salt
2 cups all-purpose flour, divided
2 tsp. paprika
3/4 tsp. garlic powder
1 tsp. each, salt and cracked pepper
Vegetable oil

Directions:

Trim steak and pound, if needed, to 1/2 inch thick; cut into 6 to 8 pieces.

Combine milk, Tabasco sauce and salt in a bowl. Measure 1 cup of flour into a bowl. Combine remaining flour, paprika, garlic powder, salt and pepper in another bowl.

Dip steak into flour, into milk mixture, and then into seasoned flour. Set aside until all meat is coated.

Heat 1 to 2 inches of oil in a heavy fry pan. Fry meat until both sides are golden brown, about 2 minutes per side.

Drain on paper towels. Serve with Cream Gravy (see below), mashed potatoes and biscuits.

Makes 6 to 8 servings.

Cream Gravy

Pour off all but 6 Tbsp. of fat from fry pan; add 6 Tbsp. flour into pan (use any leftover seasoned flour) and blend well. Gradually stir in 2-1/2 cups milk. Cook and stir over medium heat until thickened. Season with salt and pepper. Cover steaks with gravy when served.

Makes 2 cups.

Keep the Ranges Clean!!!

For the last 4 or 5 years Benny Emmons has been bringing a group of his employees to the club twice a month to fill the houses, sweep out the buildings and empty trash. He does this at his own expense to help the volunteer members.

But the rifle and pistol ranges are getting out of hand with trash (see accompanying picture). The club has no paid employees and relies on shooting members and their guests to clean up after use. We need to expand the committees for each range and create a schedule to empty the trash (and haul it

off), weed eat and trim mow. Our tractor cannot get under the overhangs or up close to do a clean job on the grass and weeds. Also we need a

volunteer group to regularly build new target frames and haul off old ones.

Please, when you use the ranges sweep up brass, throw away old targets and cardboard and carry off old shot up frames.

Do not bring old chairs and carpet from home. We generate enough trash without more being brought in.

If you would like to volunteer for a rifle or pistol committee contact a board member or call a number below.

May ARA Match

The End of the Casual League

Tuesday May 22nd was the final night of the Beginners Skeet League. We had a fair turnout overall with about 25 new shooters and out of practice shooters. Most made good improvements and several worked hard and made amazing progress. The club picked up several new members and the overall enjoyment was evident.

Once again I want to thank the members that devoted their Tuesday evenings helping others learn the sport. Without them it would not be possible to have this event. Thanks **Bill Schweitzer, David Anderson, Kerry Williams, Gene Wills and Bill Ernst.**

Skeet Instruction Available

If you would like to improve your skeet shooting skills or if you would like to learn to shoot skeet, then you should know that Rick Stockstill is a Level 2 (National Skeet Shooting Association certified) skeet instructor. Rick does lessons by appointment and can work with shooters of all skill levels. Sessions usually run for about an hour. The first session also includes a check of gun fit, eye dominance, shooting stance, sight picture, a safety review and a review of shooting fundamentals.

For further information or to schedule a lesson, contact:

VOLUNTEERS NEEDED

The Club needs volunteers to mow the rifle, pistol and archery ranges. The Club has a riding mower and provides fuel. The Club also has a weedeater that can be utilized. All that is required is some of your time. These are areas that are difficult to mow with the tractor and are better suited for the lawn tractor. Helping keep these areas mowed and looking great is a great benefit to our members and impressive to the guests who may become future members of our Club.

If you can help out with any portion of this, please contact **Randy Walhood (214-850-1680)**. Thank you.

Renewal Notice

Renewal notices were sent out the last week of May. Members should contact Jeff if they have not received their renewal by mid June. The renewals should be returned by June 30. New cards and keys will be mailed in late June and early July.
