Orange Roast Pheasant

from gameandfishrecipes.com

Ingredients

1 plucked pheasant
1 onion chopped
4 strips of bacon
2 peeled oranges
1 teaspoon black pepper
1 teaspoon garlic salt
1 cup sugar
Cinnamon
Salt

Chop up oranges (try to save as much juice as possible) and place in small pan with enough water to cover oranges. Bring to boil and simmer for 30 minutes. Add sugar and a pinch of cinnamon. Heat and stir until mixture begins to thicken into a syrup.

Rub pheasant with garlic salt and pepper, put onion and bacon in cavity and place in oven safe dish. Pour a glaze of orange syrup over the pheasant. Cover and bake for 45 minutes on 350° deg F.

Serve with rice.

Join the new Spring Skeet League!

The Grand Prairie Gun Club (GPGC) will continue the summer skeet leagues starting around March 19th. The league is comprised of 4 to 5 member teams that shoot two 25-shot rounds against another team. A point is awarded for each round with the highest overall handicapped score plus an additional point for the highest overall handicapped score (max 3 points per night). Last season the sun set quickly and shooting became difficult towards the end of the season. This year we have only two leagues planned with a slightly different format for the shoot-offs that will add an extra week or two to the league. Typically we have had 8 teams but we can accommodate up to 10 5-person teams. Each league will run approximately 10 weeks and we will take a week or two off around the 4th of July and skip the weeks of Memorial and Labor Day. The league has a system where you can "bank" a score if you need to miss a week but each person is allowed only two without special circumstances.

The most important criteria to shoot in the league is "you have to have fun." The league is open to men and women and the shooters do not have to be members, but at least one team member must be a member of GPGC. The league is a handicap league to give everyone a sporting chance. For your team to win, the good shooters must shoot constantly well and new shooters must improve each week. New shooters that shoot both in the Thursday team skeet league and in the beginner-instructional Tuesday league have done very well. The league has turned several average and beginner shooters into very good shooters. Last season we had 3 shooters shoot their first straight (25) and all shot an additional 2 or 3 more before the season finished.

We will have more information in the news letter as the season gets closer. For more information or questions about the league please contact:

Club Sporting Clays Shoot February 2009

Well, we have a NEW record turnout!!!

The morning started off a bit chilly but by game time the temps were above 50 degrees. We had a total of 39 shooters consisting of 25 members and 14 guests. We threw a total of 2250 member targets and 1400 guest targets. We paid out \$1050 in trophies and awards. Thanks to EVERYONE that helped out with loading machines, setting targets, picking up hulls, moving cages, picking up lunch, etc. There is no way any one person could accomplish all of this work unassisted.

Trophy money was awarded by Lewis Class scoring for each event and by Modified Lewis Class for the 100 target combo event. In total we paid 30 places, 18 for members and 12 for guests. Here is the breakdown of Sundays winners:

Member Morning 50:

LC1-1 Will Chisum	LC1-2 Benny Emmons
LC2-1 James Teal	LC2-2 Gerald Evatt
LC3-1 Donny Penwell	LC3-2 Jeff Zwiebel

Guest Morning 50:

LC1-1 Scott Rackley	LC1-2 Wade Grimes
LC2-1 Larry Collier	LC2-2 Marc Richman

Member Afternoon 50:

LC1-1 Buddy Ehart	LC1-2 Jason Foshea
LC2-1 Jason Davidson	LC2-2 Mark Schuchman
LC3-1 Robert Nicholas	LC3-2 Dale Holder

Guest Afternoon 50:

LC1-1 Scott Rackley	LC1-2 Mike Rogers
LC2-1 Casey VanSant	LC2-2 Gary VanSant

Member Combo (Modified Lewis Class)

LC1-1 Amy Schuchman	LC1-2 Mark Schuchman
LC2-1 Chris Collinvetti	LC2-2 Jeff Zwiebel
LC3-1 Jason Foshea	LC3-2 Benny Emmons

Guest Combo (Modified Lewis Class)

LC1-1 Rachel Grimes	LC1-2 Gary VanSant
LC2-1 Mike Rogers	LC2-2 Wade Grimes

***BOLDED** names indicate shootoff winners, thanks to Charley Close for setting our shootoff targets. We had

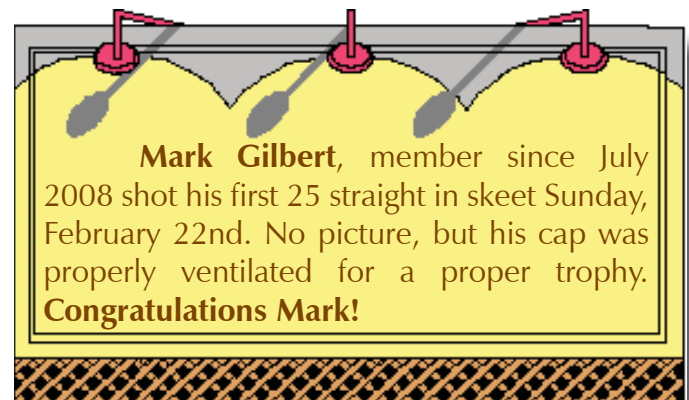

a total of 9 shootoffs, some of them with more than 2 shooters competing for the prize money.

Thanks to the Thompson Group at Classic Chevrolet for providing lunch, please remember them for all your vehicle needs. If anyone is interested in providing lunch at the next tournament on March 15th please let me know. It seemed to be a welcome price break to the shooters and it never hurts getting a free plug for your business in the newsletter. See you next month & bring a friend!

Other Sporting / 5-Stand Updates

Once we get back to longer days I plan on having sporting clays league on Monday nights. If anyone would like to volunteer to run a league on Wednesday nights PLEASE let me know, I have all the necessary score tracking software for anyone interested. Target setting duties could be rotated between the leagues to lighten the workload on our volunteers.

Public Shoot Day on the Pistol Range

Saturday, February 21, 2009 was a gorgeous day at the pistol range for Public Day. It was a bit cool and windy but no one seemed to mind. They pulled on jackets and hit the firing line.

Brett Burnett was the Range Officer and **Van Elliott** was assistant Range Officer. Serving as Range Officers was a first for both Brett and Van. Van volunteered to work with Brett to learn about the process so he would be prepared for his tour of duty in March. The two worked well together to help our visitors have a good time.

Our visitors were polite, very cooperative and even cleaned the shooting area after they were finished shooting. What a nice bonus for two novice Range

Officers. There were some new shooters Brett and Van introduced to the art of pistol shooting. They learned about safety, technique and fun. Hitting targets was a different story.

Several members came out to shoot and joined right in with our guests. It was nice to have their company and support.

Many nice compliments were received on the new lane separators, which were installed in time for Public Day. **Dan Brown, Hoa Nguyen and Brett Burnett** made this wonderful installation happen for us. If you see these folks share your compliments and comments with them.

Youth Hunter Education Challenge (YHEC)

The Texas Hunter Education Instructor Association (THEIA) is expanding its state level YHEC program to the regional level. THEIA hopes to hold a regional event in the DFW area on the weekend of March 13-15, 2009, at the Arlington Sportsman's Club. Our goal is to get more youth involved in the shooting and hunting sports.

A typical YHEC event is comprised of 8 skills: 4 shooting events (Archery, Muzzleloader, Shotgun and 22 Rimfire), and 4 responsibility events (Hunter Exam, Safety Trail, Orienteering and Wildlife ID). Participants must have successfully completed the Texas Hunter Education course and be ages 9 through 17. Teams should have 6 – 8 youth participants and have 2 – 3 coaches, and are divided into Senior and Junior divisions. Teams / Participants in any YHEC event (regional or state) are eligible to go to the National YHEC event at Whittington Center in Raton, NM.

Participants would be from, but not limited to, the DFW Metroplex including youth from the Arlington Sportsman's Club, Haltom City Rifle and Pistol Club, Grand Prairie Gun Club, Johnson County Sports Shooting Association, Longhorn & Circle 10 Boy Scout Councils and local school districts and 4H and FFA Clubs. We hope to get approximately 6 – 8 teams with 40 – 50 youth involved in this event.

We also need about 25-30 volunteers to be event Chairmen and Coordinator/Scorers to operate the 8 competitive events, particularly the shooting events. Volunteers should be experienced hunter education instructors, NRA instructors and/or scouts with appropriate credentials relative to the event they wish to work.

Anyone wishing to form a team, please contact David Hammonds at 817-236-3158 or mrdavidhammonds@charter.net for further information.

.22 Pistol Metallic Silhouette Shoot 2009 Schedule

Mar. 28	Aug. 22
Apr. 25	Sep. 26
May 23	Oct. 24
June 27	Nov. 28
July 25	No Match in December

All matches start at 9:00AM and should finish before Noon. Cost is \$10.

120 shots will be fired for a full match in strings of 10 shots per 2 minutes. Ranges are 15-yard, 25-yard and 50-yard. We will shoot double rotation so we can accommodate up to 24 shooters per match. One shoots a string while one scores, then reverse. Bring ear and eye protection and your favorite .22 pistol.

Something for the Kids

Don Yeandle will be running a Saturday morning 22. cal. Shoot for youths. It will be held on the 4th Saturday of each month. The shoot will consist of Gun Safety Instruction mixed with lots of fun shooting out on the range. We will meet at 11:30 on the clubhouse porch. The start time is flexible if all can agree.

Girls and boys age 7 to 13 years are welcome to participate. Youths 14 and up can work as assistants in the class room and field. They will also get some shooting time. We will start with 20 to 30 min. of safety, then shoot for an hour. We will take a snack break with some review of the instruction and shoot for 45 min. or until the ammo runs out.

What to bring??

- 1) 100 rounds of 22. cal. long rifle ammunition, none of the ammunition will be returned to the youths. **NOTE: The ammunition is to be given to the instructor or range officer by the parent upon arrival. (NO YOUTH WILL BE ALLOWED TO CARRY AMMUNITION)**
- 2) Bring their 22. caliber rifle if they have one, if not there will be extra guns you can use.
- 3) Something to drink and a snack. There are soda machines inside the club house.
- 4) Ear and eye protection
- 5) Hat
- 6) Sunscreen

Experience level kids who have never shot a gun in their life to Billy the Kid. The shooting will be a fun learning experience, and at some point we can set up a friendly competition.

Any Questions feel free to contact me at 817.825.2535.

Look forward to seeing everyone on the rifle range.

Beginner's Skeet Shooting for 2009

Tuesday afternoons beginning April 7 and going through May approx. 5:30 PM till dark, Bill Schweitzer and Terry Cullender, along with several more skeet shooters, will be sponsoring a beginning skeet shoot. This is primarily to help new shooters learn basics and gain a comfort level with the sport. There is no charge for the shoot except for the normal range fees. It is also open to members, non-members, guests, and shooters of all ages. Most of the instructors will be men but Debra Altenbaumer has graciously volunteered to instruct again.

Bring your shotgun with you and the appropriate ammunition. Any gauge shotgun will work and the ammo is best with #9 or #8 shot but 7 1/2 will be okay. We always have several youth size 20 gauge semi-auto shotguns for use if you need it. You need earplugs, glasses and a shooting bag or large pockets.

After 6 or 8 weeks of shooting you should become a fairly competent shooter and then with more practice you can take your ability to whatever level you want. We teach shooting safety and stress enjoyment. This is a social sport that should be fun. Come on out for an afternoon and try it out. For the first afternoon or two we work one on one with the raw beginners then try to place shooters in groups of similar abilities and then work with you as we see a need.

No one can learn to shoot shotgun without help. If you are not hitting a bird you cannot tell if you are in front, behind or above the bird. But an experienced shooter standing behind you while you shoot can tell you where you are shooting and what to do to correct whatever needs adjustment.

Any questions??

BULLSEYE PISTOL

Bullseye Pistol Matches begin March 11, 2009. This year the Bullseye Pistol Matches will be on Wednesdays. We will begin March 11th at 5:30PM and continue that way until April 8th when we will revert to 6:00PM starting time. Everything else is the same. Any caliber is fine except no magnum loads. Shoot .22s through .45 caliber. Bring eye and ear protection, targets will be included and the cost is \$5 per evening.

We will shoot 30 shots in the match at 25 yards. We begin with 10 minutes of practice and then we shoot 10 shots, slow fire, 10 shots in 5 minutes.

Then we shoot 10 shots in two strings of 5 shots in 20 seconds each. Reload time is allowed between strings.

Then we shoot rapid fire which is 2 strings of 5 shots in 10 seconds each string.

This is a fun shoot and really helps practice and makes you have a tighter group. It is also very good practice for the Silhouette shoot. Come on out and shoot with us.

Pistol Range Repairs February 2009

The pistol range was closed February 5th – 8th to allow for a much needed refurbish.

The project of replacing telephone poles at the 15 yd. line was too large for our members to handle with volunteer work. The board searched for a contractor who would bid the job and found members who had companies that could provide the needed services, were available and very reasonable with their bids. Don Yeandle provided excavation equipment and an operator, Dale Holder provided his services plus 2 welders and Donny Penwell provided a heavy duty lift crane with operator. These men and their employees gave us a lot of time and expertise on best ways to make this a successful project.

Yeandle first drilled piers, set bolts and placed concrete for foundations to handle wide flange columns capable of holding the heavy upper baffles. Penwell had located the wide flange columns needed and delivered them for a very good price.

On Thursday the columns were cut to size and holes drilled for railroad tie covers. Bottom brackets were torch cut, ground smooth and the leaning overhead was straightened and braced.

Friday, a larger group was on hand. Holder and his welders attached the bottom brackets to the columns with help from Tim Lebo from Yeandle's company. Gun club members provided the extra back up necessary to reset the columns. Then the crane swung into action and the old overhead baffles were unbolted and lifted from the telephone poles to the new columns and strapped in place. Terry Cullender says he breathed much easier after the crane work was finished.

Saturday was like an old time comedy. Many people going in different directions, but the upper brackets were drilled and bolted in place. The old telephone poles were sawed off as close to the sidewalk level as possible and new railroad ties were bolted to the face of the new columns for protection. The area was pretty well cleaned and organized.

Sunday morning, Jeff, Terry and some of the worker bees were going to put some 2x10 covers on the sides of the columns, but there were some pistol shooters on the range. Terry negotiated a deal with the shooters to help load the remaining boards, tools and put them away in exchange for shooting privileges. It worked like a charm and everyone was happy.

In the very near future we will call out another work party to replace shot-up boards, install other covers plus mark off the shooting lanes in a clearer manner.

List of special people we would like to thank for their time and efforts!
