Recipe Corner

Knock Your Socks Buttermilk Pie

*1st Place Entry from Judy Brough (CoServ Electric Coop)
Home Cooking - submitted by Terry Cullender*

2-3/4 cups sugar
4 eggs
2 tsp. vanilla
3 T. flour
3/4 cup margarine, melted
1-1/2 cups buttermilk
1/2 cup crushed graham crackers
3/4 cup chopped pecans
2 9-inch pie crusts, unbaked

Preheat oven to 325 degrees. In a large bowl, mix together sugar and eggs; add vanilla and flour. Stir in margarine and buttermilk. Do not beat. Fold in crushed graham crackers and pecans. Pour into pie crusts, dividing mixture evenly between the two. Bake 45 minutes or until center of each pie is firm when tested with a knife.

Ziploc Omelet

This is great for when you have a crowd at your house! Have each guest write their name on a quart-size Ziploc freezer bag with a permanent marker.

Crack 2 eggs (large or ex large) into the bag (no more than 2) and shake to combine.

Put out a variety of your favorite omelet ingredients such as: cheese, ham, onion, green pepper, tomato, hash browns, salsa, mushrooms, etc.

Have each guest add ingredients of their choice to their bag and zip it up.

Place the bags into rolling, boiling water for exactly 13 minutes (up to 15 minutes). You can usually cook 6-8 omelets in a large pot. For more make another pot of boiling water.

Open the bags and the omelet will roll out easily. Nice to serve with fresh fruit and coffee cake; everyone gets involved in the process and it's a great conversation piece.

Something for the Kids

4th Saturday, July 25th, is our youth shoot for 7-16 year olds. Bring your 22 rifle, ammo and positive attitude to have fun shooting 22's. Parents welcome and encouraged to attend with your child. Time will be from 1:00 p.m. till 3:00.

Shotgun Houses are FULL!

On Saturday, June 20th, seventeen volunteers came out at 9:00 AM to take delivery of a semi-trailer load of clay targets and help distribute them to the houses. Yes, it was hot and it took a couple of hours, but the houses are full and we have targets in the storage trailer. The helpers also emptied all the trash cans on the Shotgun Range and Clubhouse. Many thanks to the following:

Robert Nicholas
Chris Collinvitti
Ron Costa
Mike Gerschick & Haley Hutson
Jay Phillips
Terry Cullender, Hunter Marshall
& Parker Marshall
Steve Hambrick
Paul Stringer
Don Yeandle
Brad Ambrose
Don Ambrose
Bill Schweitzer
Kent Megarity
Randy Walhood

Since the targets come on pallets which weigh about 2000 lbs, moving all this weight is an added benefit of the Grand Prairie Gun Club. This is our wellness program which develops upper body strength while providing a good cardio (heart) workout! I'm sure more people will want to participate next time!

June Skeet League

The 2009 spring skeet league wrapped up on Thursday June 11, 2009 with a tournament style shoot and super supper. Dale Holder and his lady, Debbie, treated us to some pulled pork, beans and apple crepes. Dale trapped the hogs on GPGC property and was good enough to cook them, using his secret recipe, for us. For those who don't know, Dale is a cook extraordinaire and may give Benny Emmons a good run on preparing good food for many folks. Thank you, big time, to Dale and Debbie.

Our thanks to Robert Nicholas and Don Ambrose for making the league happen. Not only do they manage the issues, but they number crunch to give us the statistics on the teams and shooters. You know they love us all when they devote that kind of effort to ensure we have a good time. Please don't forget to thank them for the job they do.

Robert narrated the super supper festivities with awards presentations for:

The Most improved shooter, went to Brandi Todd and accepted by dad, David because Brandi was out of town.

High Over All went to Gene Stewart for 440 out of 450 broken targets. AWESOME, Good job, Gene!

The most straights shoot off gave us some excitement. Kerry Williams was pitted against Donny Pennwell. Each had 9 straights during the league and the shoot off went to Kerry. Great shooting, Kerry! Donny, maybe the win will come next time? Rumor has it Kerry is a stress and pressure shooter who is incredible under shoot off conditions. Can you imagine 9 out of 18 possible straights? WOW those performances are stuff that happens in your best

shooting dreams.

First place went to team Gene & Rusty. Captain, Gene Stewart, team members Rusty Porter, Gary Jones, James Wilson and Travis Holder

Second place went to team Go Figure.

Captain, Bill Weatherby, team members Debra Altenbaumer, Jay Phillips, Dwain Cottrell and Don Ambrose.

Third place went to team Improved Cylinder. Captain, Robert Nicholas, team members Sandy Yeandle, Don Yeandle, Van

1st Place: Travis Holder, Rusty Porter, James Wilson & Gary Jones. Gene Stewart, Captain, not present.

2nd Place: Don Ambrose, Debra Altenbaumer, Bill Weatherby-Captain, Jay Phillips & Dwaine Cottrell

Elliott and Brian Bettis.

3rd Place: Improved Cylinders - Captain - Robert Nicholas, Don Yeandle, Van Elliott & Brian Bettis

Suggestions were made on better ways to revise team shoot line ups. There was some confusion about the regular league being connected to the tournament. They were two separate events that really didn't relate to one another

except deciding which teams would shoot against one another.

Thanks to all and see you at the next shoot.

GPGC Hunter Education Meeting on 5/2/09

In 20 years of conducting Texas Hunter Education classes, 5,589 students and 165 Instructors have been certified at the Grand Prairie Gun Club.

In that same 20 years, 2,912 NRA Instructors have been certified here.

We have 30 Instructors, 20 are active and 15 are members of GPGC. We also have 15 non-member instructors that help out regularly.

Kathy Powell (who ensures we keep our ducks in a row) visited from Texas Parks & Wildlife Division HQ in Austin.

We had 24 in attendance.

20-year service awards were presented to Ron Bobo, Ron Wisdom, Will Stilley, Jan Heath & Jerry Couch (Jerry actually got his late last year).

17 - 5-year service award pins were presented.

16 - 10-year service award pins were presented.

7 - 15-year service award pins were presented.

(Some instructors received multiple awards if you don't think the math works ☺)

Hall of Fame awards were presented to Jan Heath & Jerry Couch

Reclaimed Lead Shot

GPGC members we have the re-claimed lead shot for sale again. The first order sold out fairly quickly so we doubled our order this time. Response from reloaders has been positive. They increased our cost 1.25 a bag for shipping so we raised the price a dollar to \$19 a bag.

Please contact Bill Schweitzer, Randy Walhood or Jeff Zwiebel to purchase shot.

GPGC Skeet Team Trading News

Several teams have already started making trades and attempting to improve their teams after the post-season tournament. The Fun bunch has brought Bill Schweitzer out of retirement and has been in negotiations to bring back Don Kovatch. To make room on their roster captain Terry Cullender traded Mark Gilbert and David Gerling to the newly formed expansion team "Team River Rats" for a case of Schlitz and a future draft pick. Team officials from "Cocked Wads" denied allegation that team captain Gene Stewart missed the post season while in rehab in Alaska and believed he would return for the fall season. The team also denied allegations the Gene ever used any shooting enhancing drugs and accused those that made the accusations as being jealous that he won the HOA. Other trade rumors include Tinker Bell shopping around Donny Penwell after a disappointing lost to Kerry Williams in a shoot off for most straights. Due to the salary cap, it is unlikely that any team will pick Donny up. Several teams have made inquiries about Rookie of the Year Gary Jones but Gary but he will most likely sign a long term contract with "Cocked Wads". The "Clay Busters" have resigned Gerald Evatt mainly for the clubhouse doubles league. Gerald still denies allegations of machine tampering from the European leagues. "Improved Cylinders" has re-signed Sandy Yeandle to a long term contract and Sandy has reportedly invested in a new Beretta 391 Teknys Gold with her signing bonus. Lost and Dead has rearranged the team shooting order hoping to strengthen the top of the lineup. "Dah Boys" and "Go Figure" have not made any announcements other than they will be back for the fall league but are believed to be in negotiation with several free agents. "250 x 250" is also in rebuilding mode but the team to watch may be the expansion team "Team River Rat" with captain Dale Holder and especially if he can sign Jeff Nekuza away from the Dallas Gun Club.

For more information about the fall league or if you would like stories made up about yourself, please contact Robert Nicholas at 214-325-9653 or email Nicholas.robert@sbcglobal.net. Thursdays will be open for casual skeet shooting through July. The Clubhouse Doubles League will kick-off on August 6th with scored shooting starting on August 13th and continuing through October.

Flag Warning System Installed

On June 8th, Van Elliott and Jeff Knizner installed a Board-approved Shooter Downrange Flag Warning System at the pistol and rifle ranges to increase safety awareness. Flying the flag will quickly let incoming shooters know there is someone downrange. If the flag is flying and no one can be seen downrange it is necessary to verify first before shooting. It is possible the downrange people may be behind a berm or baffle.

A sign has been displayed at each shooting station to notify a new system has been implemented. The signs are easily noticed before any shots are made. There are a total of 4 flags, one located on each side of the pistol and rifle range. As the shooter walks by one of the flag stations the safety flag should be removed from the storage boot and placed in the display position. Upon returning to the shooting station the flag should be rolled back on the pole and placed in the storage boot. During the time the flag is being displayed shooters will not handle their firearms. It is a very simple, user friendly, system.

It was modeled after one at another gun club. The idea was first introduced at a Pistol Planning Committee meeting in March. The Committee liked the concept and following Board approval Van and his wife (Judi) bought, assembled and installed it with help from Jeff Knizner.

We continually strive to have one of the safest and cleanest ranges in the area. Please take time to use the system and enjoy knowing the GPGC Board and members want to ensure your shooting experience is fun and safe at all times. Happy shooting and we hope to see you soon.

Bullseye matches are held every Wednesday at 6:00 PM. Any caliber or action allowed except magnums, please. We shoot 3 rounds of 10 shots in slow fire, timed fire and rapid fire. The participation is normally 10 to 15 shooters with 4 or 5 being women.

The match costs \$5 and members and guests are welcome. When I re-started this match up several years ago the turnout was two or three people and the scores were much lower but now that the silhouette match has draw so much interest the bullseye has grown since it is such a good practice for long range accurate shooting.

Come out and shoot with us. We have good competition and a very good social group of people that enjoy shooting with and helping each other. I have made over a dozen new friends since I have been shooting this event and the level of fun is high.

Metal Silhouette Pistol Shoot

June 26, 2009

Saturday, June 26, 2009 was plenty hot and had all the shooters putting sweat equity into hitting every target. Dale Holder came to the rescue riding in on his sturdy, white, Ford F350 named Flame. With the whir of an 18-wheeler gone wild and a cloud of dust, he dropped the tailgate and lo and behold there was a large shop fan and a generator. It was quickly connected and relief was instantaneous. There were oohhs and ahhs and Dale even got a male hug out of the deal. What a hero because before finishing the temperature rose to about 102 degrees. The shooters stayed cool and had a great time. Not one complaint. See photo of Dale and Flame delivering the goods.

Congratulations go to Dale and Michael Smith again for their consistently high performance. Dale hit 59 out of 60 in the scoped pistol class and Michael hit 56 out of 60 in the open sight class. Nice work, fellas! See photo of Dale and Michael receiving their cash prizes from shoot director, Dan Brown.

The story of the day: Future targets for Dale and Michael will be turned facing head-on rather than profile. More of a challenge is required for these two top guns because they consistently win. See photo of Brian Bettis comparing the profile style targets against the new head on style presentation. [Note: These comments are meant to be a tease to Dale and Michael. Hopefully they will accept it in good humor. :-~]

Floyd Jester shot real well because Van was helping him. It seems Van couldn't find his targets, but zeroed in on

Jay Phillips & Paul Stringer wait to shoot MSPS

Dale Holder, Dan Brown & Michael Smith at awards ceremony for 1st Place in their class

Floyd's and was complaining because someone was shooting across the lanes. What a hoot when Floyd starting shooting Van's targets so Van would not get a zero for that station. You should have seen the look on Van's face when it was called to his attention about shooting the wrong targets!

New pistol shooter, Jay Phillips, was coerced into coming to the MSPS. Robert Nicholas told Jay he would shoot with him, but Robert was a no show so Jay had to go it on his own. Nice work, Robert. We finally got a shot to hook Jay on a new game. Jay did very well for his first outing and took Van's place at the bottom of the list along with guest Brian Bettis. Van had been praying for relief and these guys made it happen. Maybe Dale's fan blew the demons away for Van? See photo of Jay and Paul Stringer waiting for the shoot to begin.

Terry Cullender was really in the zone and had 54 out of 60 in the open sight class. He came in second and Jim Wilson took second in the scoped sight class with 49 out of 60.

Also, a big thanks to Jim Wilson, Brian Bettis and Terry Cullender who took the lead to get targets set up for the shoot.

A good time was had by all and we look forward to next month for the next great shooting adventure. Please dig out your favorite 22 pistol and come join us.

2009 Schedule

July 25	Oct. 24
Aug. 22	Nov. 28
Sept. 26	No Match in December

All matches start at 9:00AM and should finish before Noon. Cost is \$10.

120 shots will be fired for a full match in strings of 10 shots per 2 minutes. Ranges are 15-yard, 25-yard and 50-yard. We will shoot double rotation so we can accommodate up to 24 shooters per match. One shoots a string while one scores, then reverse. Bring ear and eye protection and your favorite .22 pistol.
