## Triple Mushroom Tart

Contributed by Cindy Tarrant

- 1/2 of a 15-oz pkg. refrigerated pie crust (1 folded)
- 1 cup chopped fresh Portabella mushrooms
- 1 cup sliced fresh brown or white mushrooms
- 1 cup chopped fresh oyster or Shitake mushrooms
- 1/4 - 1/2 cup chopped onions
- 1 or 2 cloves fresh garlic, crushed
- 1 tsp. snipped fresh marjoram OR  
1/4-1/2 tsp. ground marjoram
- 2 Tbsp. margarine or butter
- 3/4 cup shredded Gruyere cheese (can substitute  
Monterrey Jack or mozzarella)
- 3/4 cup shredded Swiss cheese
- 1/2 cup chopped Canadian bacon or cooked ham
- 2 slightly beaten eggs
- 1/2 cup milk
- 1 Tbsp. chives

### Pastry

According to package directions, ease into a 9-inch tart or pie pan. Press pastry into flutes. Do not prick bottom. Line pastry with foil. Bake in a 450 oven for about 8 minutes. Remove foil; continue baking 4 or 5 more minutes until set and dry. Reduce oven temperature to 375.

### Meanwhile

Cook mushrooms, onions, garlic, and marjoram in a large skillet over medium-high heat for about 5 minutes or until mushrooms are tender and any liquid is basically evaporated.

### Combine

Cheeses and Canadian bacon in a large bowl. Add mushroom mixture, eggs, milk, and chives. Stir thoroughly mix. Pour carefully into partially baked pastry shell. Bake in a 375 oven about 20 - 30 minutes or until set and golden.

Cool in pan on a wire rack for 10-15 minutes. Slice into wedges. Serves 6 - 10.

Great for any informal main or side dish, or it makes a wonderful formal dish for a brunch, luncheon, or cocktail party.

## Bullseye Pistol March 20, 2010

Bullseye Pistol match for March 20th was cancelled due to rain and cold.

When you see Jim Wilson be sure to thank him for maintaining all the wooden target frames. He rebuilds the frames for the Silhouette and Kids Shoot as well as building new target frames for the general pistol range. Volunteers make our club what it is.

Thanks Jim!

# Youth Shoot - February 2010

Our February Youth Shoot was a lot of fun. The morning was cool and no shotgun shooters came out. By the time 1 rolled around, the weather was sunny and warm. Eight eager young shooters showed up. After our safety talk and range rule briefing then the silhouettes started flying. We had a good variety of 22 long rifles and pistols that most of the kids tried. It also gave them a chance to use everything from a telescopic site to a peep sight.

We had some real fun when one of the Dads broke out his new Remington Model 597 A-Yacs. This is a 22 caliber semi automatic rifle the looks like a larger caliber tactical style gun. The kids thought it was so cool to shoot. As you can tell by the pictures, all of the girls and boys had a fantastic time learning good safe shooting habits and range rules.

Don't forget to mark your calendar on the Fourth Saturday of every month. Bring your kids and their friends out to enjoy learning to shoot at our Club. This shoot is open to all members' children and their friends. Shotgun starts at 10:00 AM on skeet field one and after lunch we gather down by the pistol range. We shoot 22 Cal. Rifles and pistols for around two hours. It's a great way for our future gun club members to have fun and a safe shooting experience. Check our monthly e-mail for more details or call me at 817 825-2535 for more information.

# Swap Meet a First at GPGC

Another well received first for GPGC was the Swap Meet held on Saturday, March 27, 2010. There were about 20 tables set up with gun, hunting, fishing and outdoors stuff of every kind for sell or trade. The people who attended were very pleased and glad someone came up with this great idea.

The idea was the brain child of Dale Holder. However this is not unusual because Dale is noted for being the catalyst for improvements at the pistol and rifle ranges, having raffles to generate funds to pay for the improvements, winning pistol shoots, being a new board member and doing everything he can to make GPGC the premier place to shoot in the DFW area.

Food at the meet was very low tech but good. Once again Dale steps up to the plate and puts in a hot dog concession. He cooked the hot dogs and sold them to the hungry crowd. Dale said had found a super duper all meat hot dog that was better than anything he had ever eaten before. He was convinced they would be a sellout. You were right Dale the hot dogs were great! Perfect for eating while trading for stuff and swapping lies.

Once Board approval was obtained Dale was off and running. He recruited members to help with flyers and bulletins to be put up in all the key meeting and shooting areas of the club. Then he got folks to talk about it more by getting the idea in the newsletter. Plus

several emails and telephone conversation were made to stir the pot a bit more. This was a club member's and guest only affair to see how well the idea would be received by the membership. Apparently it was a big hit! One new member said he was so pleased to see everything running smooth and there were no signs of tempers or bad words being exchanged. It was a very pleasant atmosphere with serious negotiations and

*Serious negotiation underway*

happy faces seeing stuff they thought they could not live without. Most of the people who had tables set up were

pleased and said they would do it again. Then they asked how soon the next one would be done. Most of participants said they bought more than they sold, but were excited about the possibility of more in the future.

The concept is being considered for more to come in the future. Stay tuned and we will get back to you about the next one. A big thank you to the membership for the support and encouragement to put on more programs like this one.

# Club Sporting Clays February 21, 2010

Well the weather was definitely a bit sketchy for the 2010 inaugural sporting clays shoot (I know, everyone's a bit gun shy of the word inauguration since 2009, but this one won't screw up the country). We got rained/sprinkled on a bit during set up Sunday morning but by the time everyone let the lead fly the rain had stopped and the sun even popped out for a few hours. All things considered the shoot turned out pretty well, here are the results:

We threw \$334 worth of targets. We paid out \$400 in prizes and awards.

Our March program will be a little different than the normal set up. Call it an iron man, or whatever you decide to call it, it WILL test your shotgun skills in 3 different disciplines. There will be extra opportunities to win money on this one, DON'T MISS OUT!!! Guests will be welcome as well for this shoot so be sure to tell a friend and put it on your calendar for Sunday March 20!

# 2010 InterClub Challenge

The annual InterClub Challenge is a combined five-man team score of skeet and trap targets. Each individual shoots 50 skeet targets and 50 sixteen-yard trap targets. The winning team gets possession of the traveling trophy and 'bragging rights' for the next year. This shoot has been held annually since 1993.

This year the event was held at the Grand Prairie Gun Club (last year's winner) on March 28, 2010. Eight teams from four different clubs were present to vie for the trophy. Grand Prairie Gun Club, Arlington Sportsmans Club, Terrell Rifle & Pistol Club and Ellis County Sportsmans Club were represented.

The weather was a little on the cool side with tremendous wind throughout the day. When the last scores were posted, the team from Terrell (consisting of Glen Garrison, Charles Irwin, Lanny Goodman, Leland Colthorp, and Tommy Wooten) claimed the championship with a combined score of 453. The team from Grand Prairie (consisting of Randy Walhood, Benny Emmons, Gene Wills, Jeff Nekuza, and Debra Altenbaumer) took runner up with a score of 448.

The high skeet team score was a 239 posted by Grand Prairie Gun Club and the high trap team score was a 216 put up by the winning team from Terrell.

Tommy Wooten (Terrell) won the Individual high score with a 97 (missed one in trap & two in skeet). Neil

**HOA Runner-up - Neil Altenbaumer**

Altenbaumer (Grand Prairie) won the Individual runner up with a 96 (49 in skeet and 47 in trap). Congratulations to these people for their fine shooting!

A great BBQ lunch with all the trimmings was served for the shooters and I didn't see anyone go hungry. Thanks to Steve Gilmore and Benny Emmons for cooking the briskets and to

Sharon Walhood and Ginny Warren for running the kitchen. Jeff Zwiebel, Richard Kummer and Jay Warren kept the squads going by pulling and scoring. As always, a multitude of Club members help out to make an event like this possible. Thanks to everyone who helped make this shoot great!

# Beginner Skeet Shooting for 2010

Tuesday afternoons beginning April 6 and going through May approx. 5:30 pm till dark Bill Schweitzer and Terry Cullender along with several more skeet shooters will be sponsoring a beginning skeet shoot. This is primarily to help new shooters learn basics and gain a comfort level with the sport. There is no charge for the shoot except for the normal range fees. It is also open to members, non-members, guests, and shooters of all ages. Most of the instructors will be men but Debra Altenbaumer has graciously volunteered to instruct again.

Bring your shotgun with you and the appropriate ammunition. Any gauge shotgun will work and the ammo is best with #9 or #8 shot but 7 1/2 will be okay. We always have several youth size 20 gauge semi-auto shotguns for use if you need it. You need earplugs, glasses and a shooting bag or large pockets.

After 6 or 8 weeks of shooting you should become a fairly competent shooter and then with more practice you can take your ability to whatever level you want. We teach shooting safety and stress enjoyment. This is a social sport that should be fun. Come on out for an afternoon and try it out. For the first afternoon or two we work one on one with the raw beginners then try to place shooters in groups of similar abilities and then work with you as we see a need.

No one can learn to shoot shotgun without help. If you are not hitting a bird you cannot tell if you are in front, behind or above the bird. But an experienced shooter standing behind you while you shoot can tell you where you are shooting and what to do to correct whatever needs adjustment.

Any questions??

# Metallic Silhouette Pistol Shoot

## February 24, 2010

Hoa Nguyen won the match with 59/60 and Jim Wilson was 2nd with 57/60. Hoa shot with a scope and Jim shot with iron sights.

There were 3 sets of runners-up-ties in scoring - all with iron sights.

Clint Freeman & Dan Brown both shot 53/60, Kent Leverett & Jeff Paladini both shot 52/60, Terry Cullender & Jon Dodd both shot 51/60, for a bunch of ties!

It was cold but we did what we could, it turned out good and had a good time!

Dan Brown

*And the Winners Are: Hoa Nguyen & Jim Wilson, presented by Dan Brown*

## March 27, 2010

We had a huge turn-out this morning - 16 Shooters! The wind was a little brisk early in the morning, but the weather was very nice when we finished up. Hopefully, with the weather turning nice, we will continue to have large turn-outs. Evidently, 2010 is going to be Hoa Nguyen and Jim Wilson's year. Hoa has shot a 59 out of 60, with a scoped pistol, 3 months in a row now; winning every month. Talk about consistency! Jim has won the iron sites category every month this year

as well, although not with the same exact score. He shot a 53 out of 60. Way to go Jim and Hoa!

Till next month!

Meredith

*Winners: Hoa Nguyen (59 of 60 targets) & Jim Wilson (53 of 60) presented by Dan Brown*
