Sporting Clays May 16, 2010

Weather man missed his mark again, shocker! With weekend forecasts of 60% rain chances we opted to move the sporting clays tournament to later in the day, as luck would have it we were dry as a bone. We started the whole program at 1 PM this time and with the lighter than normal turnout we still finished up around the same time as usual.

Thanks to everyone that helped out with cleanup and tearing down the course while we posted scores and ran our only shootoff.

Here are the winners:

Course 1:

- 1st: Jason Foshea
- 2nd: James Teal
- 3rd: Neil Altenbaumer (won shootoff)

Course 2:

- 1st: Jason Foshea
- 2nd: James Teal
- 3rd: Wayne Jonhston

Combo Modified Lewis Class:

- 1st: Wayne Johnston
- 2nd: Neil Altenbaumer
- 3rd: Debra Altenbaumer

Just a reminder that there will be no June shoot since it falls on Father's day. I'm hoping our July shoot will have a big turnout, so everyone plan on bringing a friend with them. Sporting Clays shoots will start at 1 PM from now on. Unless someone volunteers to provide/prepare lunch there will not be a lunch provided, if interested in doing so for one of the shoots please get in contact with me to do so.

Thanks!

Beginner Skeet Shoot

May is the end of the organized skeet instruction. We had a fair turnout.

A special thanks to **Debra Altenbaumer**, our star instructor who worked with the women shooters.

I want to thank all the instructors that made the event a success. **Bill Schweitzer, Kerry Williams, Gene Wills, Robert Nicholas, Don Yeandle, Debra** and myself. We all have

different styles of shooting so the people wanting instruction figure out who they prefer and migrate to them.

There were approximately 5 women with **Cindy Tarrant** and **Liz Watkins**, both members being the

most attentive. They will continue to shoot and improve in the future. **Don Yeandle** had several groups of young shooters come at times and enjoy themselves.

Then we had some new members and some who just wanted help on various stations and advice from more experienced shooters.

All in all, I think everyone who attended learned something and had fun.

Thank you to everyone that helped in instruction and attended in any capacity.

Rita Blanca National Grasslands Prairie Dog Hunt

May 22, 2010

Short note - dogs were a little disappointing - they had been poisoned 2 years ago and were just starting to come back - we had wind in the 35-50 mph range this was unbelievable as it was blowing water out of the wind mill tanks. On the plus side - it was a good group, Dale did an outstanding job with the food, where we stayed was very nice and original home of old XIT ranch location. Antelope were "everywhere," no people and no place you would want to run out of gas - lol...beer stayed cold and the jokes were non stop. It was a long drive but it was a part of the world I would have never seen and that was interesting.

As we were driving out of the National Grass Lands Saturday we stumbled onto a dog town that was good for 20 minutes of great shooting. Shots were on the long side but with the wind to your back there was virtually no bullet drop even out to 400-500 yds.

Cheers,
Bill Schweitzer

Competitive Team Skeet League

The GPGC competitive team skeet league is rolling with 10 teams. The league has become very popular with both experienced and new shooters making up teams. The league is handicapped so new shooters that practice and get better throughout the season are on an equal footing with the experienced shooters.

After 6 weeks, Dead and Dead and Tinker Bell and the Dirty Old Men are tied for first, but the season is still young. Donny Penwell is leading in straights with 4 with several shooters just one straight behind. Mike Gerschick is the HOA leader with 332 of 350 and also has several shooters breathing down his neck. The spring skeet league runs until June 10th and the fall doubles league will start up shortly afterwards.

The skeet league is also planning a team skeet shoot with the teams from the league combined with the DeSoto Gun Club on Saturday July, 17, 2010. The tournament will be for 5 person teams handicapped with 100 targets per shooter. I am hoping for at least 15 teams between the 2 clubs. The shot will start in the morning around 9:00 and should be finished by 1:00 or 2:00 in the afternoon depending on the number of teams participating. The details are still in the works with the DeSoto skeet league. DeSoto Gun Club will host a similar tournament in the fall for the doubles skeet leagues.

For more information about the Thursday skeet leagues please contact Robert Nicholas at 214-325-9653 or email nicholas.Robert@sbcglobal.net.

Jim Wilson mowing Tuesday afternoon

Thanks

Pistol Shooter, **Jim Wilson**, has been the man making the target frames, painting the metal chickens and mowing the grass for quite a while. Recently the 9-year old riding mower gave up the ghost, but **Jim Grabbe, Jim Wilson & John McGlone** with \$300 of parts and a lot of donated time, brought it back to life.

Gene Wills as usual burns boxes, empties trash, helps with all events and is the evening watchman along with **Buddy**.

Robert Nicholas & Jay Phillips have taken over running the club skeet events and are doing a bang-up good job. **Jason** with a lot of helpers keep the 5-stand and sporting clays events going regularly.

Members in general are keeping the fields up, sweeping houses out and concrete pads off and closing up the fields when they are finished.

I know there are many more worker bees but these are just some I noticed lately.
