NOTICE

The front gate at GPGC is being automated to help improve our facilities. You will be required to pass your access card within a few inches of the reader to open the gate. The gate will then automatically open allowing access and will close behind you after you pass through. The gate has an electric eye to prevent the gate from closing on a vehicle that is in the path of the gate. There is an additional card reader on the inside which will open the gate for you when you leave. Again, the gate will automatically close behind you.

If you have a guest meeting you at the Club (in a separate vehicle), you will have to meet them at the gate to allow access and also to let them out.

The gate will be open for Public Day (3rd Saturday of the month from 1 to 6 PM), Hunter Education Classes, ARA Matches and Registered Skeet Shoots. If there are scheduled events requiring the gate to be open, please arrange this with the Board of Directors.

With the construction of the highway and the park just west of the Club, there is significantly more traffic on Lower Tarrant Road. Having the gate automatically close will prevent the curious public from just driving in to 'look around' (this happens more often than you think).

It is very important to keep up with your access card. If you lose it, please report this to the Club Secretary or Treasurer so the card can be deactivated. There will be a \$25 charge for a replacement. In the future years, if your dues are not current, your card will be deactivated and your access will be denied.

Please keep your current gate key as it will be used for the rifle/pistol range gates and access to the restroom on Skeet Field #1.

For a 4th of July the weather was very nice for our shoot, just 2 digits and they were not both 9's. We had about 20 shooters shooting 100 targets in the 12 gauge event and 100 target doubles in the events. Jeff Zwiebel shot a perfect 100 to win the 12 gauge event. Jack Davis Won the HOA in doubles with a 95 and there was a three way tie with 92's in the A class with Mike Gershick winning the shoot off. We had a great lunch with grilled steaks, corn on the cob and salad to round out independence day at the club.

Back by popular demand, the August 1st shoot will be four 50-target events with registration starting at 9:00 and shooting starting at 9:30. The shoot will be similar to a mini-NSSA registered event, and we will shoot all 4 guns based on class. We will shoot 12 and 20 gauge concurrently in the morning and the 28 gauge and 410 bore concurrently in the afternoon starting around 1:00. Lunch will be around noon.

For more information or questions about the monthly club shoot please contact Robert Nicholas at 214-325-9653 or email Nicholas.Robert@sbcglobal.net or Jay Phillips at 817-528-1611 jay@phillipsjs.com.

GPGC Bullseye Pistol July 2010

On July 7, Ed Dotson won with 263 (6Xs), with Hoa Nguyen as runner up with 261 (4Xs). Third was Jim Grabbe with 249 (2Xs).

On July 14, Ed Dotson won with 274 (6Xs), Hoa Nguyen and Jana Whaley tied for second shooting 250. Hoa got 3Xs, Jana got 2Xs. Third was Jim Grabbe with 246.

Interesting, Jana beat her Dad. Now if her M 41 S&W would cooperate so she wouldn't have to borrow her Dad's Browning Medalist...!

On July 21, Ed Dotson won with 253 (4Xs). Second was Jim Wilson with 245 (3Xs) and third was Jim Grabbe with 243.

Congratulations Ed, for winning the matches so far this month.

Shooting Clays

July 18, 2010

Well, here's what I remember about Sunday's sporting shoot, details are a bit foggy since we finished things off in roughly 100 degree temps.

As we arrived at 11am to set up it was a chilly and brisk 92 degrees, it was kind of tough working around all that stuff with a jacket and gloves on, we couldn't wait for it to warm up a bit. Anyway, we kicked off the fun around 1pm with about 16 people total. There were 5 guests and 11 members in attendance. We still at this time do not know exactly what happened with the afternoon targets, if they really were more difficult, or if the heat just took its toll on the shooters, but the early scores were a bit higher than the late scores in most cases. Here's how the awards broke down at the end of the day:

Rachel, Brittany, Laura

Dwight

Course #1

Members:

- 1st **Jason Foshea**
- 2nd **Dwight Sensbaugh**
- 3rd **Greg Peil**

Course #2

Members:

- 1st **Jason Foshea**
- 2nd **Dwight Sensbaugh**
- 3rd **Gene Stewart & Jimmy Powell** (they

agreed to settle their tie for the money on the skeet field later in the afternoon so I'm not sure of the outcome)

Kerry Williams

Modified Lewis Class 100 target event

Members:

- 1st **Donny Penwell**
- 2nd **Gene Stewart**
- 3rd **Wayne Johnston**

As for the guest events, they were swept by Keith Braig.

In total we threw \$254 worth of targets and paid out \$250 in awards. I don't really see how next month can be hotter so hope to see everyone there.

Alaska Bear Hunt

Recently completed an Alaskan fly-in wilderness hunt for Brown/Grizzly bear. No heat, no electricity, no bottled water for 11 days (drank creek water!!!). Hunted along the rocky shores of Admiralty Island, not far from Juneau and the Mendenhall glacier. The scenery was breathtaking and the wildlife abundant (mink, otter, eagles, blacktail deer, seals, sea lion, porpoise, Orca and humpback whales). Especially abundant were the Brown bear (sighted over 20 during the hunt).

Success involved a 4-hour stalk over 3- to 6-ft. rocks and fallen timber, with the bear disappearing into the thick tree line. Waited 3 hours for the bear to reappear (which it did two miles further down the coast). Thus, an additional 2-mile stalk and 165-yd. shot at 9:30 PM with my 300 Win Mag resulted in a 9-ft Brown bear weighing over 1100 lbs. Took quite a while to skin something that large – didn't get back to camp until 1:30 AM.

The outfitter claimed that was the largest Brown bear he's taken in 17 years of hunting Admiralty Island (Kodiak Island has larger bears but Admiralty Island has a greater population of bears). Preliminary skull measurements indicate the bear may qualify for listing by Safari Club Int'l and Boone & Crockett.

Needless to say, this was a dream hunt and an experience of a lifetime (high up on my bucket list!!!!).

Ted Preston

The prize: 9-ft. Brown bear weighing over 1,100 lbs.
