Mike's First Place Chili

Co-winner of GPGC's Chili Cookoff
Mike Shuping

Ingredients

- 1 (29 oz.) can tomato sauce
- 1 (28 oz.) can peeled and diced tomatoes
- 1 cup diced onion
- 1-1/2 tsp. Italian seasoning
- 1/2 pound bacon, diced
- 1 lb. spicy sausage
- 1-1/2 lb. lean ground beef
- 1/2 (32 oz) bottle hickory smoke barbeque sauce
- 1/4 cup chili powder
- 2 (15.25 oz) cans kidney beans, undrained
- 1 (1 oz) square unsweetened chocolate, chopped

In a large pot or Dutch oven over medium heat, combine tomato sauce, tomatoes, onion and Italian seasoning.

In a large skillet over medium heat, cook bacon until slightly crisp. Drain and stir into the pot.

In the same skillet over medium heat, cook sausage until brown. Drain and stir into the pot.

In the same skillet over medium heat, cook the beef until brown. Drain and stir into the pot.

Stir the barbeque sauce and chili powder into the pot; taste and adjust seasonings. Stir in the kidney beans and chocolate and simmer until flavors are well blended.

Spring Skeet League

The Spring Skeet League will start this month on **Wednesday, March 23rd** and it's going to be a blast! As in the past, the first night will establish each shooter's bank and handicap, then the next nine weeks will be competitive shooting.

The ten week league will cost \$90. There are two optional purses: a \$10 Most Straights and a \$10 Lewis Class with five winners. We will need everyone to pay on the first night, so please remember to bring your checkbook or wallet.

We're also happy to announce that Barley's BBQ will be catering our dinners each week. These are awesome dinners and a meal with friends is a great way to wind down at the end of the day, so make sure you plan to stick around after shooting each week! Dinner will be \$5 per person.

Andrew Wyer and Brad Ambrose are running the skeet league this year. If you have any questions or concerns, please feel free to contact us at Andrew. Wyer@gmail.com or Brad@AmbroseAgency.com.

Winter Schedule Saturday Bullseye Pistol Matches

Mar. 19, 2011

GPGC Bullseye Pistol February 2011

We had 13 shooters show up Saturday and 12 shot. Jim Wilson ran the match. Thanks, Jim.

This shows we need a wider shooting bench setup - at least 18, up from the current 12 positions. We had 16 shooters for several matches last summer.

When I tried to take pictures, my camera wasn't working - due to a low cell, so Jana Whaley kindly took pictures of the participants with her iPhone. Meredith Turney recorded the scores and produced the spread sheet on scores below. Thanks, Jana and Meredith!

Hoa Nguyen and Bill Edgel tied for high score, with 268 each; Hoa had 8X and Bill had 4X, so Hoa won first place, with a one-hand hold.

Donny Penwell shot 263 with 3Xs for second place score. Jana Whaley and Richard Kolek tied for 3rd scoring spot with 258. Jana got 3Xs and Richard got 1X. Jana shot with a one hand hold and was high scorer in rapid fire with a 97, shooting her Dad's Browning Medalist.

It should be noted that Ed Dotson shot with his M1911 .45 ACP one handed, and Floyd Jester shot his S&W M 27 with .38s.

Hoa shot with his M 1911 .22 conversion having a Red Dot scope.

.22 cal. Pistol Silhouette Shoot February 2011

The Silhouette match today went great, the temperature was not too cool, and there was no rain. We had 12 participants. This is the first time there were 3 women shooting! These were Jana Whaley, Meredith Turney her sister, and Starla Bradford.

There were 2 folks that shot 54/60 - Jana Whaley and Clint Freeman. To break the tie I suggested we set up silhouette targets in positions on the target frames such that they were "overlapping" with the idea that one shot might make all 5 on the target frame fall down. I said OK, one shot. The targets were at 25 yards.

Jana shot and 2-3 fell off her last target frame. Then Clint shot at his overlapped set of targets and all 5 fell off. Clint was declared the winner.

Jana shot with her Dad's (Jim Grabbe) Browning Medalist; Clint shot with his long barreled Ruger Mk II. Both shot with iron sights.

Hoa Nguyen shot 53/60 with his M 1911 having a .22 conversion, and a red dot sight.

Congratulations Clint, Jana and Hoa!

Meredith collected the scores and put them into her laptop. Thanks, Meredith!

Meredith, Clint, Jana & Hoa

Jim Wilson built a lot of new silhouette target frames with 2 x 4 uprights, and we used them today. They seem to be steadier than the older frames with 1x4 uprights and 1 x 4's on the bases that are stuck in the steel rectangular pipes in the concrete.

He also painted the steel targets so they could be more easily seen. Thanks Jim!

Jim was complaining that his single shot .22 had loose sights as he scored 10 points lower than last month.

The shooting matches here have become a family situation! This was Gerry Bradford and his daughter's Starla first time to shoot in matches here. Good to have them! The other family group shooting today is Meredith

Turney, her sister Jana Whaley and their uncle Jim Wilson.

The score sheet is given below.

Work Day February 19, 2011

A special thanks to all the volunteers that came out showing their support of GPGC on Saturday February 19th to load our skeet houses. The weather was perfect and we got lots more done around the club then just loading the houses, such as taking out trash etc. John even leveled some of the ground around the skeet stations for us. Next time you see the volunteers below around the club please give them your thanks for helping out.

Sub-Sub-Senior Team.

Gene Stewart – Texas All State Sub-Senior Team.

Mike Gerschick – Texas All State Sub-Senior Team.

Jim Speer – All-American Veteran First Team and Texas All State Veteran Team.

Robert Nicholas – All-American Rookie First Team and Captain of the Texas All State Rookie Team.

Tree Trimming Work Day

Saturday, February 26th from 9:00AM till about 3:30, a dozen gun club members armed with chainsaws, tree pruners and gloves cut down most of the brush near the front entrance of the gun club. Next weekend another group will try to finish. The brush is stacked so it will be accessible for large chipper rig to come and cleanup our mess. Also some of the piles of metal scrap were loaded on a trailer so they can be hauled off. Thanks to those that put in a hard day.

Beginners Skeet 2011

Tuesday afternoons beginning April 5 and going through May, approx. 5:30 pm until dark, Bill Schweitzer and Terry Cullender along with several more skeet shooters will be sponsoring a beginning skeet shoot. This is primarily to help new shooters learn basics and gain a comfort level with the sport. There is no charge for the shoot except for the normal range fees. It is also open to members, non-members, guests, and shooters of all ages.

Bring your shotgun with you and the appropriate ammunition. Any gauge shotgun will work and the ammo is best with #9 or #8 shot but 7½ will be okay. We always have several youth size 20 gauge semi-auto shotguns for use if you need it. You need earplugs, glasses and a shooting bag or large pockets.

After 6 or 8 weeks of shooting you should become a fairly competent shooter and then with more practice you can take your ability to whatever level you want. We teach shooting safety and stress enjoyment. This is a social sport that should be fun. Come on out for an afternoon and try it out. For the first afternoon or two we work one on one with the raw beginners then try to place shooters in groups of similar abilities and then work with you as we see a need.

No one can learn to shoot shotgun without help. If you are not hitting a bird you cannot tell if you are in front, behind or above the bird. But an experienced shooter standing behind you while you shoot can tell you where you are shooting and what to do to correct whatever needs adjustment.

Any questions??

Pistol Range Work Day

Another Successful Pistol Range Workday Saturday, February 12th, the cold weather finally let up and a big group of gun club members and one guest gathered at the pistol range with tools and lumber and proceeded to tear off shot-up boards and replace them with new. The morning started at 9:00AM at about 32 degrees but quickly the coats were shed and by 11:00 people were in short sleeves.

All of the baffles were refaced with gravel replaced in some of the overhead units. As the group was finishing and cleaning up **Randy Walhood** and **John Slocum** came down with the gator and gathered all the rotten and broken boards and carried them to the dumpster. A big thanks to both of them!

The workday crew was mostly the usual suspects, but we did have several new ones. Three especially welcome members were **Alan, Richard** and **Nicholas Kolek** who came with a car full of pistols to shoot, but ended up spending about 3 hours screwing boards together and shoveling up pea gravel and filling baffles. At 4:00PM, as the project ended, the Koleks got to shoot for a while and Bill and I promised to teach them how to shoot skeet in April and May. All in all a very good day.

Swap Meet 2011

Once again Dale Holder has orchestrated a very successful event. The weather was in the 70's and the chili contestants were also hot.

Mike Shuping split first place money with Chris Collinvitti and Dale split second with Gene Stewart.

Lots of guns, calls and reloaders were available but the real winner in sales was Ryann Nicholas with her large selection of girl scout cookies.

Andy Chilla said he started out with a lot of good bargains but his neighbors grabbed up most of them before he had his car loaded. A few guns traded homes and all the old reloading presses that have filled up the club closet now live with Jay Warren. We made him an offer he couldn't refuse.

In about six months we will have another Swap Meet so check the items that are just gathering dust that may need to find a new home and have them ready. I'm sure that Dale will have something else to tie to the Meet, maybe a watermelon or peach fest.

Sporting Clays/5 Stand Results

Well, 1st of all thanks to **Darian Mock** who did a great job setting up targets for this month's shoot. We decided to give 5 stand only a go and see how well we could funnel the groups through both stands and hopefully not keep anyone waiting for too long. All in all I think we accomplished it with only 20 shooters, but had we had a larger turn out the waits might have been a bit long. We've already discussed switching back to sporting clays next month so people can move more at their own pace rather depending on pullers & scorers being available. I really appreciate all of the shooters that stuck around and helped break down the machines & clean up after the shootoffs. In case no one noticed everything was cleaned up in a matter of about 15-20 minutes, GREAT JOB, that's teamwork. Thanks to **James Teal** for taking a few pictures to go in the newsletter.

Shootoff targets were tough, we shot targets from the lower 5 stand standing in a cage on the upper 5 stand. Sporting shooters don't believe in shooting "easy"

targets for shootoffs & it's not likely anyone will hit all of them. Some of the shootoffs were decided with only a single target being broken between the competitors. It can be frustrating but it's a lot of fun when you break that target that no one thinks you're going to hit for the win.

As for the financial side of things we threw \$304 worth of targets & paid out \$436 in prizes to various participants. Looking forward to seeing everyone in March, bring a friend! We'll run the same schedule we did last year, 1pm shotgun start with a short break between courses. Shootoffs and payouts will follow immediately after the 2nd course.

Thanks!
