**Ted Shaw & son,  
Trevor**

**Brent & Brenda  
Bishop**

The first monthly skeet shoot of the year at the Grand Prairie Gun Club was a great success with 26 participants. The events included the 12 gauge main event, doubles, and 28 gauge events.

Mike Gershick won the 12 gauge event with a 49 and Jon McDonald won the doubles event with a 48. Randy Walhood shot the only 50 of the day to win the 28 gauge event.

The next club shoot will be on April 3 and is a 200 Bird 4 gun event plus high overall (HOA).

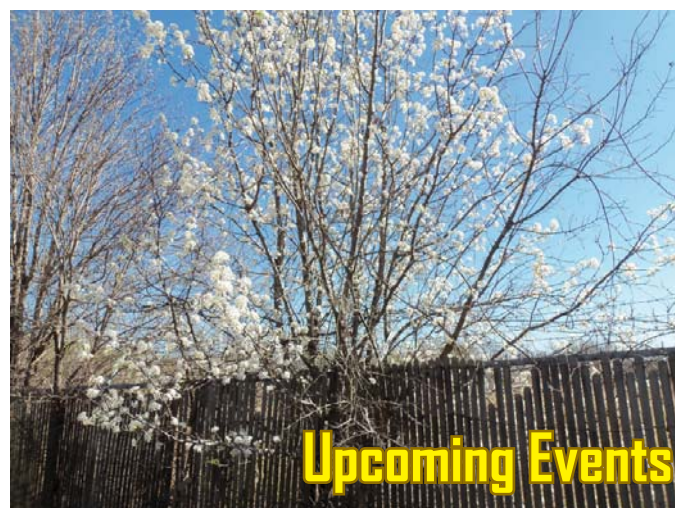

For more information on the monthly club shoots contact Robert Nicholas at 214-325-9653 or [skeet@GPGC.net](mailto:skeet@GPGC.net).

## Broccoli and Potato Cheese Soup

*Submitted by Dale Holder  
from Texas Hunting Forum*

### Ingredients

5 Tbsp. unsalted butter  
1 large yellow onion, chopped  
1 tsp salt  
1 tsp regular pepper  
1/2 tsp nutmeg  
1 tsp ground thyme  
1 Tbsp. mined garlic  
5-6 Tbsp. AP flour  
6 cups chicken stock or broth (low sodium)  
1 package frozen broccoli, thawed  
3 russet potatoes, peeled, cut into 1/2" chunks,  
boiled until just under fork tender (like for potato  
salad).  
1 cup heavy cream  
2-1/2 cups Velveeta cheese (18 oz.), cubed

In a medium pot: melt 3 Tbsp. butter over medium high heat. Add onions and saute until soft. Add garlic, salt and pepper and saute another minute. Slowly sprinkle flour and mix constantly until all juices are soaked up and mixture is thick and clumpy (may take 5 spoons, maybe a little more sometimes). Slowly add in chicken stock, stirring constantly. Reduce heat to medium and simmer about 5 minutes. Will thicken slightly. Add in the broccoli and potatoes. Allow soup to come back to a slight simmer.

Use hand-held immersion blender to lightly puree some of the broccoli and potatoes. I like chunks in my soup, so I don't puree the heck out of it. You can do yours however you want. You could also use a hand masher.

Add cream and allow soup to come to a BARE SIMMER. DO NOT BOIL. Begin adding in cubes of Velveeta and stirring until all cheese is melted. Add remaining butter. Turn heat lower as you add in cheese to prevent curdling.

This is better than Chili's! I top mine with fresh pico de gallo and croutons.

Enjoy!

# The Spring Skeet League off to a Smashing Start

**T**he spring skeet league was off to a smashing start! The first week of spring was marked by beautiful weather, the arrival of bluebonnets at the club, and the return of birds to the air; clay birds that is. The spring skeet league kicked off on March 23rd to the booms of a full roster of 50 shooters with targets getting smashed left and right.

On the whole, we had smiling faces all around. Seemed a lot of folks were glad to be back in the league. Three quarters of the league's previous participants were able to return and the empty spots were quickly filled by 13 folks who are new to the league.

This year we're able to have dinner catered every week and it was definitely popular; by 8pm Bartley's brisket and sausage menu had been demolished. In fact, Brad and Andrew are going to keep an eye on how quickly it goes to make sure we're ordering enough food each week.

Ten challengers have signed up to battle for the "Most Straights" and another 23 shooters are participating in the optional Lewis Class structure. These are in addition to the buckles for the winning teams and prizes to the class champs. Each week the league will post results on the cork-board, and at the online forum, so that everyone can follow along.

Best of luck to everyone and here's to a great time!

# GPGC Bullseye Pistol

## March 2011

We had a good day for a match, with 10 shooters participating. No rain, was not too cool, just right! The Grabbe clan (Jim Grabbe, daughters Meredith Turney and Jana Whaley) were not here - attending Jim's mother's birthday party .

**Bill Edgell** won with a score of 270/3X; **Hoa Nguyen** was second with 262/2Xs, and **Floyd Jester** was third with 249/7Xs.

Both Bill and Hoa were shooting .22 autos. Congratulations, Bill, Hoa and Floyd!

Floyd shot his 8 3/8" barreled M 27 S&W 357 with 38s; he shot a 95 in TIMED FIRE! Ya'all notice this!! A BIG revolver...

Sometimes he shoots his M 617 S&W 10 shot .22 revolver at silhouette targets and does well with it!

Thanks to Jim Wilson for rebuilding 12 bullseye pistol target frames, and mowing the grass.

Ed Dotson collected the scores and put them into his computer. Thanks, Ed.

Below is the score sheet.

# **.22 cal. Pistol Silhouette Shoot March 2011**

It was a wonderful day to get out & shoot, with great weather! We had 15 participants and one "watcher."

Winner of the match, scoring a 60/60 was Jim Wilson, shooting a Thompson Contender with peep sight.

Hoa Nguyen was second with 59/60, shooting a Ruger with a Bushnell red dot, and was high for those shooting with optical sights.

Homer Garza shooting 57/60 a Ruger with a Bushnell Trophy scope, was second place of shooters using optical sights. Congratulations guys!

The Grabbe crew shot with us today, Jim Grabbe and daughters Jana Whaley and Meredith Turney.

Also participating was guest Ken Jones, a nephew of Jim Grabbe and Jim Wilson. Ken has had 1-1/2 years tour of duty in Afghanistan, and 3-1/2 years as a K-9 handler in Iraq. He is currently living in the area.

## Tree Trimming Work Day

# Thanks

Saturday, March 5th the final pass on the tree trimming was finished by a smaller group of members. Now a tree service will come in and chip the brush and do final cleanup. We want to thank the Saturday group of:

**Randy Walhood, Jeff Zwiebel, John Slocum, Ed Kilgore, Jim Speer and Gene Wills.** Now then a special thank you to **Gene Wills**. He continued to come out every afternoon for an hour or so of trimming on his own. His goal was to trim the inside of the front fence all the way to the north. Gene also burns the boxes, checks on fields and cleans up. Thanks Gene, we appreciate all that you do!

# Beginners Skeet 2011

Tuesday afternoons beginning April 5 and going through May, approx. 5:30 pm until dark, Bill Schweitzer and Terry Cullender along with several more skeet shooters will be sponsoring a beginning skeet shoot. This is primarily to help new shooters learn basics and gain a comfort level with the sport. There is no charge for the shoot except for the normal range fees. It is also open to members, non-members, guests, and shooters of all ages.

Bring your shotgun with you and the appropriate ammunition. Any gauge shotgun will work and the ammo is best with #9 or #8 shot but 7½ will be okay. We always have several youth size 20 gauge semi-auto shotguns for use if you need it. You need earplugs, glasses and a shooting bag or large pockets.

After 6 or 8 weeks of shooting you should become a fairly competent shooter and then with more practice you can take your ability to whatever level you want. We teach shooting safety and stress enjoyment. This is a social sport that should be fun. Come on out for an afternoon and try it out. For the first afternoon or two we work one on one with the raw beginners then try to place shooters in groups of similar abilities and then work with you as we see a need.

No one can learn to shoot shotgun without help. If you are not hitting a bird you cannot tell if you are in front, behind or above the bird. But an experienced shooter standing behind you while you shoot can tell you where you are shooting and what to do to correct whatever needs adjustment.

Any questions??

## Sporting Clays/5 Stand Results

### March 20, 2011

Let me start by saying WINDY, WINDY, WINDY, but that's not necessarily a bad thing in sporting clays. It definitely made for some interesting target presentations, some targets varied by as much as 15- 20 yards when they caught the right wind gust. Turnout was a bit lighter than expected but it made for an enjoyable smooth afternoon of shooting. Thanks to Darian Mock, Dwight Sensabaugh & Will Chisum for their significant efforts in setting up targets, changing targets for the afternoon, and everyone else that helped with cleanup after the shoot was over. We threw \$262 worth of targets between members and guests. Only the members played the money for trophies this time around but we still paid out \$330 in prizes to our lewis class/modified lewis class winners. One other thanks to the Development Corporation board for our new specialty target machines. We have the ability to throw a lot more interesting presentations with the addition of a new rabbit machine, midi machine, and battue machine (especially fun on a windy day).

Here are the results from Sunday. Names in bold type won their respective shootoffs.

1st 50:

LC1-1 Jason Foshea

LC1-2 Will Chisum

LC2-1 **Gerald Evatt** won shootoff against Wayne.

LC2-2 Josh Wells

2nd 50:

LC1-1 Jason Foshea

LC1-2 Dwight Sensabaugh

LC2-1 Jim Hundley

LC2-2 **Bobby Sherrill** won shootoff against Josh. Yep, that's right even our skeet shooters can win sporting clays shootoffs, congrats Bobby, well done.

Modified Lewis Class 100 combo:

MLC1-1 Darian Mock

MLC1-2 Dwight Sensabaugh

MLC2-1 **Chris Collinvitti** won shootoff against Jim.

MLC2-2 Jim Hundley

For those that missed it the shootoff targets were pretty massive with shots ranging from 40-70 yards. All of the shooters hit some but no one ran all 4 targets and the wind REALLY moved them around a bit so it was tough for anyone to get into a rhythm on them.

Updates for next month:

We'll run the same program starting at 1pm, invite your friends out to shoot with you, guests are welcome to attend the monthly sporting shoots & we have separate classes for members and guests so even your friends can walk away with a little cash for their efforts. Even if you don't consider yourself to be a proficient sporting clays shooter we cater to ALL ability levels with our monthly shoots and payouts are designed to spread through all ability levels. There have been several times that the lowest still walks away a winner with our modified lewis class payout for the 100 target combo. Come out and give it a try... heck you might even learn a thing or two.

Thanks to everyone that came out to shoot with us and hope to see ya next month!

*Jason Foshea*

We will continue to run the 5-Stand on Monday nights on the new lower field. Every effort is made to change the layout frequently, so if you haven't tried 5 Stand in a while, come on out and try the new "challenging" course.

At this point we do have enough machines to run the 5-Stand and still set up a 3 to 4 station Sporting Clays. If we have enough interest, we can set both up on Monday nights as well. Look forward to seeing some new faces and thanks to those who come regularly and help with the setup and take down, your help is appreciated!

*Darian Mock*
