## GPGC Club Skeet Shoot April 7, 2012

The first 4 gun shoot for the Grand Prairie Gun Club was a fun time with great weather and great shooting. There were 5- 50's shot in the morning with Mike Gershick, Jeff Zwiebel and Steve Bandy in the 12 gauge and Jon McDonald and Jason Foshea in the 20 gauge. The wind picked up in the afternoon so the smaller gauge scores were a little lower but still in the high 40's. We had a total of 17 shooters using 4 fields for the day. We also had a great lunch with pasta and meatballs, salad and pie for desert.

The event got off a little late because the houses needed to be filled with targets. A special thanks to the volunteers that filled the houses before we got started. Several volunteers stayed and shot and did very well in spite of having sore arms.

The next event will also be a 4 gun event on Saturday, May 12th and will start around 10:00 with lunch around noon. Please be sure RSVP a few days before the shoot so we can assign fields and have enough food for lunch. For more information or to RSVP, please call Robert Nicholas (214-325-9653) or email at [Skeet@GPGC.net](mailto:Skeet@GPGC.net)

# G.P.G.C. is Having a Birthday

## This year 2012 marks 50 years in business.

We picked October 20, 2012 for our 50th anniversary celebration day -  
I guarantee that the weather will be nice and no rain.

All Members and their Families are invited, as well as prior members that helped make the club what it is today.

While the 20th would normally be a public day, the Club will be closed to the public so that members and their families can get together, visit and enjoy the birthday festivities.

Wear your name tag; don't worry if you forget it though, we will make some there for you.

The first 300 members through the gate will get a Goody Bag.

From noon till 1:30 there will be a delicious lunch catered by Bartley's and hosted by the Club.

EVENTS planned are door prizes every hour on the hour, and several vendors to show off their products.

In the afternoon, the rifle range will have a Savage Representative who will have many rifles and free Hornady ammo for all to try.

The pistol range will have a Metallic Silhouette Shoot with some loaner guns for you to shoot at a few of the yellow chickens. It is FUN!

Shotgun events will occur all through the day. We plan a low gun shotgun event at 9:00AM for members to kick it off, with a Wolf Chase late afternoon as a Climax of the event.

This is just a sampling of the day's events. There will be good food, fabulous desserts and the soft serve ice cream machine will run all afternoon.

We have Anniversary Belt Buckles for sale that will be personalized with your name for \$45 and T-shirts and polo shirts for \$12 and \$30, respectively. As an added attraction a few gun raffles will be sold prior to the event, and the drawing will be held on Oct. 20. You don't have to be present for the drawing, but if you aren't, you'll have missed a really good time!

## Beginners Skeet Shooting 2012

We are into our 3rd or 4th week of skeet instruction and it is going very well. Our groups are approximately 12 to 15 with 5 or 6 instructors. For some they just want some practice with someone watching their style with the goal of correcting bad habits while others have never shot a shotgun before. Our goal is for all involved to have a good time and learn whatever they can.

A new and very popular instructor is Elizabeth Hoskins. She has a group of lady shooters that are having lots of fun with no pain. The other instructors are Bill Schweitzer, Gene Wills, Robert Nicholas, Bill Ernst and Don Yeandle. I help if I am needed but my voice is so weak that I am difficult to hear.

There is still room for more shooters and we will continue through May 29th. Come on out Tuesday afternoons after 5:30.

Any questions??

## GPGC Going Green

GPGC's recycling program is going strong. We have completed phase I and have been very excited to see how many of you are using the "Shell Recycling" green bins. We have filled one bag of shells and started on the second one last week.

The cardboard recycling container is also going beautifully. We will begin implementing Phase II and hope to have it in place by the end of May. This entails recycling the shell boxes. We will be placing tan barrels at each station where you can throw your shell boxes away so we can eventually get them into the cardboard recycling container. This Phase will require you to break the boxes down which does add additional time to your schedule.

Due to the overwhelming positive response to the shell recycling, I feel that this additional procedure in the long run will become habit and feel very positive about this Phase being as successful as Phase I. Thank you again for your diligence in our program.

## Monday Night 5-Stand League

Starting May 7th for eight weeks through June 25th.

The payout structure will be exactly the same as the Trap League that just concluded. \$10 to be collected towards a prize pool, with the number of modified Lewis Class winners determined by number of entries.

The format of the league will include 50 targets set over 2 layouts and the targets will be set so even a beginner will be able to enjoy participating. Because the payout is essentially "Luck of the Draw," the more experienced shooters are welcome to shoot with subguage to increase the challenge level. We will attempt to keep the targets set to no more than an IC choke. The purpose of this league is to encourage more participation in 5-Stand/Sporting and we would love to have 15+ participants.

Even though the league will run for 8 weeks, only the top 6 scores will be used for average and prize payout. This will allow for shooters to miss up to 2 nights without penalty. Because target mix will change during the league, 6 scores will be required for prize eligibility.

Members and member's guests are welcome and the applicable 25 target rate applies. We will need extra assistance with both trappers and scorekeepers. The remotes are pre-programmed and very easy to learn. We could use help loading the machines and exchanging batteries periodically, but the more folks that help, the easier and quicker the job is.

We look forward to seeing the regular Monday night crew and hope to see some new faces.

Thanks,  
Darian Mock

## The Report from The Registered Line

When they haven't been exploding into tiny little pieces, the birdies have been very quiet this month, so this is a short report. Grand Prairie shotgunners did themselves proud at the Dallas Gun Club's Metroplex on April 20-22nd. High Over All Runner-up and Sub Senior Champion was Robert Paxton with a 397, while John McDonald took third overall in 20 gauge and Triple Sub Champion. Send the info to [maryannjenkins@me.com](mailto:maryannjenkins@me.com).

## Trap League

The Monday Night 16 Yard Trap League was completed on April 23. The score winners were as follows: **1st-Kerry Williams, 2nd-Benny Emmons**, tied for **3rd-Brad Fitzgerald & Darian Mock**. The monetary winners were as follows: **Brad Fitzgerald, Darian Mock, Adam Kolek**, and Mike Shuping.

Our next Monday event will be a 5-Stand Event that will be using basically the same rules and pay-out schedule as the trap events. After that we will look at having a progressive long-yardage event.

# Bullseye Match Results

April 11, 2012

**April 11, 2012:** We had a group of 8 shooters on this beautiful evening.

**Ed Dotson** won shooting a M 41 S&W with a red dot sight, one handed. He shot a 273-1X.

**Hoa Nguyen** was second using a Browning Buckmark with a red dot sight, shooting one handed. he shot a 269-2X.

**Hoa** shot the only 92 SLOW FIRE I have ever seen at GPGC, ONE HANDED. Then he dropped one out of the target on timed fire! Oops. And he forgot to put his name on his slow fire target, so the only reason I figured it out was that I remembered that he had shot that score.

I re-score all targets when I get home to check the results.

**Adam Kolek** was third, shooting a Browning Buckmark , getting 247-3X, using a 2-hand hold.

The score sheet, sent in by Meredith is below.  
Thanks, Meredith for keeping score.

Regards,  
Dan Brown

**April 18:** It was a beautiful day to be out & about, and to shoot. No wind, and the temperature was great.

This was an oddity... I had mentioned that it was my 76th birthday and someone said "Oh you're going to win." I tossed that off as nonsense right away. Me win a match?? Wow ...Dreamer.

I had, however, arrived early and practiced with both of my Ruger match pistols shooting ~ 80

Adam Kolek, Hoa Nguyen, Mike Horton, Ed Dotson, Jim Grabbe, & Meredith Turney

Winners: Hoa Nguyen, Ed Dotson, and Adam Kolek

rounds at 25 yards. I shot on 2 targets as I was using the 2 guns and wanted to decide on which I was able to shoot best with. I chose my 10" barreled Mk II with its regular iron sights.

Well it did happen. I won with a score of 275-6X, where my last week's score was ~ 221/300. Amazing.

Second was **Adam Kolek** shooting 271-2X, using a 5" barreled Browning Buckmark with a red dot sight.

Both Adam and I used a 2-hand hold.

**Hoa Nguyen** was third, and shot 266-4X with his M 1911/22 conversion with a red dot sight. He shot one handed.

He shot a 90 this time in slow fire, while he shot a 92 slow fire last week, which I think was a record at GPGC - at least in the last 5 years.

The shooters: Ron McCuller, Jim Grabbe, Dan Brown, Jim Wilson, Adam Kolek, & Mike Horton, minus Ed Dotson, who was repairing some target frames, and Hoa, who took this picture

The Winners: Dan Brown, Hoa Nguyen & Adam Kolek
