After several years in their positions, Bill Schweitzer and Mike Pallet have retired as president and first vice-president, but will continue to serve as directors. Jan Heath remains as second vice-president, with Jason Davidson as treasurer, and Jeff Zwiebel as secretary.

GPGC Club Skeet Shoot

August 4, 2012

August Hotter than Hell Club Shoot:

The August club had a small turnout mostly because, well, it was hotter than hell. Actually, in the morning it was not bad and we had 8 shooters on the day shooting the 12 gauge main event and the 410 bore afterwards. We started shooting around 9:30 and most were finished by noon so the heat was not much of an issue. Robert Nicholas won the 12 gauge event with a 96 and Tom Sipe won the 410 with a very impressive 48.

Class winners:

12 Gauge	410 Bore
A-Robert Nicholas - 96	B1-Tom Sipe 48
B-Randy Walhood - 95	B2-Richard Kummer -46
C-Tom Sipe - 94	

We also had a great lunch catered by Chic-Fillet to make some political statement. The statement, and were not sure what is but the food was great, does not represent the opinions of the gun club or the board of directors.

The next tournament will be the Vintage Shoot in October and there is no shoot in September (Bird Season) The Vintage shoot will be Sunday, October 14th and registration will start around 11:30 with lunch at noon and shooting will start around 1:00 pm. For the vintage shoot, shooters can use any pump shot gun. Any semi-Auto or side-by-side shall be manufactured prior to 1950 something. A flyer will be posted and put into the newsletter next month outlining the rules.

Please RSVP a few days before the shoot so we can assign fields and have enough food for lunch. For more information or to RSVP, please call Robert Nicholas (214-325-9653) or email at Skeet@GPGC.net.

Youth Shoot Schedule 2012

Every 4th Saturday of the month we get together with our up and coming shooters. The youth shoot is for 8 to 17 year olds. During the cooler months, we begin our shotgun shooting at 10 am and move to the rifle range at 1 p.m. (October through April). Once the sun starts to get warmer, we move each event up an hour to 9 a.m. for shotgun and 12 noon.

September 22	November **
October 27	December **

** For these 2 months we have 1 shoot and schedule it based on availability. The date will be e-mailed in November.

For more information or to be added to the Youth Shoot e-mail list please contact Don Yeandle at (817) 825-2535 or don@extramile2.com.

Homemade Biscuits

Submitted by Dale Holder

Ingredients:

2 cups flour
4 teaspoons baking powder
1/4 teaspoon baking soda
3/4 teaspoon salt
2 tablespoons butter
2 tablespoons shortening
1 cup buttermilk, chilled

Directions

Preheat oven to 450 degrees.

In a large mixing bowl, combine flour, baking powder, baking soda and salt. Using your fingertips, rub butter and shortening into dry ingredients until mixture looks like crumbs. (The faster the better, you don't want the fats to melt.) Make a well in the center and pour in the chilled buttermilk. Stir just until the dough comes together. The dough will be very sticky.

Turn dough onto floured surface, dust top with flour and gently fold dough over on itself 5 or 6 times. Press into a 1-inch thick round. Cut out biscuits with a 2-inch cutter, being sure to push straight down through the dough. Place biscuits on baking sheet so that they just touch. Reform scrap dough, working it as little as possible and continue cutting. (Biscuits from the second pass will not be quite as light as those from the first, but hey, that's life.)

Bake until biscuits are tall and light gold on top, 15 to 20 minutes.

A Different Take on Shepherd's Pie

From Texas Hunting Forum

Submitted by Dale Holder

So I thawed out some of my ground venison that's mixed 25% bacon. I wanted something different and this is what I came up with.

Brown 1.5 lbs venison/bacon with 1/2 onion, 2 jalapenos, 2 med. tomatos, a little cilantro, dash of salt and black pepper.

When done spoon the meat into a pie crust, mix in a package of shredded cheese.

Mix 3 large eggs and 3/4 cup milk with 1/2 cup bisquick. Mix well.

Pour milk/egg/bisquick into meat.
Pop it in the oven at 400 degrees for 1 hour.
When brown on top add some more cheese on top until melted.

Serve with pinto/brown beans or whatever else you like. It was pretty darn tasty and filling.

I think you could probably mix in corn or green beans if you like. Some Rotel tomatoes might be good too.

Note: Another reader suggested topping with mashed potatoes before baking in order to make it a true Shepherd's Pie.

Thanks

We need to thank **Ed Dotson, Jim Grabbe, Mike Horton** and **Jim Wilson** for working on the old rifle range overhead baffles-taking them apart - that are laying besides the road leading down to the rifle and pistol ranges. Ed didn't participate in the match today, working on the baffles, taking them apart !!!

Jim Grabbe recently had both his knees operated on- in the last week, and he was out there with the rest of the guys!!

Thanks guys!

GPGC Policy on Range Use by Associate Members

At the July Board meeting a consensus decision was reached that only a spouse who has been through safety orientation may use the range alone.

Other associate members in the family (children) must be accompanied by the member or their spouse.

Pistol Match Notice

During July and August we will run Bullseye matches starting at 7 PM.

In September they will revert back to a start time of 6 PM.

And in early November we will transition over to a Bullseye match on the 3rd Saturday starting at 9 AM and do that until daylight savings time returns in the spring.

Other shooters need to vacate the range at least 15 minutes before match time so we can get target frames set up and allow our competitors to do preliminary practice.

The .22 cal (only) silhouette matches will continue to be held at 9:00AM on the 4th Saturday of the month, except in December.

These matches are open to members and guests so please join us.

The shell and cardboard recycling program is up and running on its own. Thank you to all the Range Officers and individuals who are working the program and dumping the shells and cardboard into the appropriate bag and bin. We have almost 3 full bags and only need 2 more before we send them to the recycling plant and in return we will receive a plastic bench each time we fill 5 bags. We appreciate all of the club member's positive comments and assistance in this program.

At this time we are not able to recycle plastic bottles or aluminum cans. These items still need to be thrown away in the blue barrels with regular trash.

September - BIRD HUNTING!

October 14, Sunday - Vintage

November 10-11, Club Championship

Dove Season Warmup for Sporting Clays Match

We did an informal August shoot, it was hot and rain was also forecasted so turnout was light. We decided to try something a little different in honor of dove season, rather than conventional sporting clays we "tweaked" it into a dove season warm up. While we couldn't hone ALL of our dove season skills (namely cooler sports & 12 ounce curls) we did set some crossing, incoming, overhead flight pattern type shots that one might experience opening weekend. Not only did you have to shoot them, YOU HAD TO SHOOT HALF OF YOUR TARGETS SITTING IN A CHAIR. There were a few laughs and grumbles along the lines of "I'd never shoot that shot sitting, I'd get up for that!", but we had a good time doing the next best thing to a dove hunt that we were able to put together on short notice. By consensus we decided not to bother keeping scores, collecting trophy fees, or paying out awards that day so as far as the newsletter is concerned 6 WAY TIE, WE ALL SHOT 100 STRAIGHT! That's our story & we're sticking to it, hope everyone has/had a great Labor day weekend.

G.P.G.C. is Having a Birthday

This year 2012 marks 50 years in business.

We picked October 20, 2012 for our 50th anniversary celebration day -
I guarantee that the weather will be nice and no rain.

All Members and their Families are invited, as well as prior members that helped make the club what it is today.

While the 20th would normally be a public day, the Club will be closed to the public so that members and their families can get together, visit and enjoy the birthday festivities.

Wear your name tag; don't worry if you forget it though, we will make some there for you.

The first 400 members through the gate will get a Goody Bag.

From noon till 1:30 there will be a delicious lunch catered by Bartley's and hosted by the Club.

EVENTS planned are door prizes every hour on the hour, and several vendors to show off their products.

In the afternoon, the rifle range will have a Savage Representative who will have many rifles and free Hornady ammo for all to try.

The pistol range will have a Metallic Silhouette Shoot with some loaner guns for you to shoot at a few of the yellow chickens. It is FUN!

Shotgun events will occur all through the day. We plan a low gun shotgun event at 9:30AM for members to kick it off, with a Wolf Chase late afternoon as a Climax of the event.

This is just a sampling of the day's events. There will be good food, fabulous desserts and the soft serve ice cream machine will run all afternoon.

We have Anniversary Belt Buckles for sale that will be personalized with your name for \$45 and T-shirts and polo shirts for \$12 and \$30, respectively. As an added attraction a few gun raffles will be sold for \$5 a chance during the event and the drawings will be held later that same day. You don't have to be present for the drawing, but if you aren't, you'll have missed a really good time!

2012 Autumn Doubles Skeet League

The club will once again host its annual Autumn Doubles Skeet League on Thursday evenings from September 6th through October 25th (eight weeks). It is open to members and guests of members. As in the past, it will be Handicapped Teams, with up to ten teams of five shooters each. Each night we'll shoot 25 pairs of targets and teams will compete for trophy buckles and optional purses. Registration will cost \$80 per person.

We've decided to try the scoring system that some other clubs use in their leagues, where-by each team enters a score against all the other teams instead of a night-by-night competition. Additionally there will be a method for shooters to bank scores. Full details and rules will be available in August.

Registration will also be a little different; we will now accept sign-ups as whole teams (in addition to individuals):

- * Individual registrations, as in the past, will be accepted by email (SkeetLeague@gpgc.net) or sign-up at the club and will be assigned to a team by league management. The registration fee of \$80 will be due on the first night of the league.

- * Whole team registration will enable a benefactor to reserve an entire team of five spaces. The benefactor will be responsible for the team roster, electing a captain (who must be a member in good standing), and naming the team. Anyone interested in registering a whole team will be required to pay the \$400 registration fee in advance when they sign-up at the club. Please note, no phantom shooters will be allowed on whole-team registrations; five individuals must participate. Whole team registrations will provide management with the five participants names no later than the first night of the league.

We look forward to seeing everyone in September!

To contact the League Management (Andrew Wyer & Brad Ambrose) send email to SkeetLeague@gpgc.net.

Standard Skeet League

Tuesday evening's starting Sept. 4th. The league will start September 4th and will run for 9 weeks. Cost will be \$90 and standard rules will be used with the team captains making all decisions. Shooting starts no later than 6:00PM. Please contact:

Ken Flippin at kflip34330verizon.net, or
Brad Ambrose at brad@ambroseagency.com for questions or to sign up for the league. You can sign up as a team or as individuals.

The fall Tuesday skeet league is nearly full but we are still looking for shooters for the Thursday doubles league. These leagues are planned to start on the 4th and 6th of September. Please

contact Andrew or Brad at skeetleague@gpgc.net if you are interested. Anyone who has already indicated an interest or signed up a squad should also confirm with them.

Bullseye Match Results

August 2012

August 1: T4 wilted noodles showed up to shoot tonight. It was 105 deg down there and no breeze was blowing.

The 4 noodles were **Ed Dotson, Mike Horton, Jim Grabbe, and Dan Brown.**

Scores were as follows:

	SF	TF	RF	Xs	Total
Jim Grabbe won,	87	91	95	4	273
He shot his .22 Walthers with red dot sight, 1-hand hold.					
Dan Brown 2nd	80	91	91	1	262
I shot my Ruger Mk II, iron sights, with a 2-handed hold.					
Ed Dotson 3rd	69	94	95	5	258
He shot his M1911 with a .22 conversion, Aimpoint red dot sight, using a 1-hand hold					
Mike Horton 4th	69	93	80	3	232
He shot his Browning Medalist using an Aimpoint red dot sight, and a 2-hand hold.					

I was ready to take pictures, but the rest of the shooters said, not tonight as they wanted to get home and cool off.

August 15: We had 6 shooters tonight. It was not too hot, with the city having had rain last night.

The shooters were **Meredith Turney, Jim Grabbe, Mike Horton, Ron McCuller, Ed Dotson, and Dan Brown.**

Ed Dotson won with a score of 275-6Xs, shooting his M 1911 with a .22 LR conversion, and a red dot sight. He shot with a 1-hand hold.

Mike Horton and **Jim Grabbe** both shot 270s, but Jim edged him out, 8Xs to Mike's 5Xs. Mike shot his Browning Medalist with an Aimpoint Red dot sight, with a 2-hand hold. Jim shot his Walthers .22 with a red dot sight, 1-hand hold.

Congratulations, guys. Mike surely had "come up in the world" since he started shooting with that Aimpoint sight on his Browning Medalist.

August 22: We had 6 shooters participate tonight, It was reasonable in temperature, with no wind, and apparently no mosquitos around, thankfully.

Shooters participating tonight were: **Ron McCuller, Jim Grabbe, Mike Horton, Ed Dotson, Hoa Nguyen and Dan Brown.**

Mike Horton has climbed to the top - winning the match tonight shooting 265-2Xs! Congratulations, Mike! You have come a long way! Mike shot his Aimpoint sighted red dot scope on a Browning Medalist, using a 2-hand hold.

Jim Grabbe scored second with a score of 263-2Xs, using his Browning Medalist, with iron sights, and a 1-hand hold. Jim decided not to use his Walthers .22 tonight with its red dot sight.

Dan Brown third, shooting my Ruger Mk II 10" barreled bull gun, scoring 255-2Xs with a 2-handed hold.

There were several scoring errors made tonight and I re-scored all of the targets to be sure what was going on. The score sheet with the corrected scores are given below.

No pictures were taken. I was concerned about spraying the target frame holders - that had water standing in them - with insecticide, and forgot to bring my digital camera.

August 29: There were 7 participants tonight, a pleasant evening with some breeze. It is apparent that our sunlight is getting low for 7 PM starting, so next week, we will start our match at 6 PM.

Those shooting were **Ron McCuller, Jim Grabbe, Meredith Turney, Mike Horton, Hoa Nguyen, Ed Dotson and Dan Brown.**

Jim Grabbe was high scorer with 272-3Xs shooting his Walthers .22 with a red dot sight, and a 1-hand hold.

Mike Horton was 2nd, shooting his Browning Medalist & Aimpoint red dot sight, 2-hand hold, scoring 268-2Xs.

Hoa Nguyen was 3rd, shooting his Walthers .32 S&W long, with a red dot sight, and a 1-hand hold. Congratulations, guys!

Cheers,

Dan Brown

The Report from The Registered Line

Greeting Skeeter dudes and dudettes. We are all doing the happy dance that it looks like this year's crop of one hundred degree and over days is behind us. But before the cool days of "only" mid-90s hit, GPGC skeet shooters dug in though for the last of the hot ones and showed their stuff at the Desoto Gun Club's Big Orange Invitational the last weekend in July. Big Orange HOA went to Mike Gerschick (391) while C.W. Dagnal swept every Super Veteran category. Jim Speer won the Doubles with 100 (Jim is the rumor true that this was your first 100?), and Josh Wells followed up in D1 with a 91. In 12 Ga. Mike Gerschick took AA1 (100) and Tamme Cervenka walked home with C1 (99). In 28 GA Tom Sipe took C1 (98), Tamme Cervenka continued her winning ways with the D1 (93), and Jim Speer was VT Ch (96). In .410 bore Jay Warren scored his own "Rocket 88" to drive home with the D1 crown.

At the Zone 6 Championship, held at the Blue Rock Sportsman's Club in North Little Rock, AK on August 10-12, GPGC shooters faced competition from Arkansas, Louisiana, Mississippi, Oklahoma, and Texas guns. The weather was mercifully temperate for mid-August, and the trip was made even more enjoyable by the famous hospitality of the Blue Rock club members. Shooters were treated to two dinners, scrumptious pulled pork on Friday, and an assortment of fried catfish, shrimp, chicken, along with hush puppies and all the fixings on Saturday. After the guns were put away, the Arkansas Skeet Shooting Association provided an open bar both Friday and Saturday nights. If you didn't make it to the Zone Shoot this year, consider going to one of the Blue Rock Sportsman's Club's shoots next year. The background is very similar to Grand Prairie, they treat you like a rock star and you will have a great time.

In the serious stuff at the Zone 6, GPGC member Mike Gerschick beat out seven other shooters with 100's for the 28GA title. Congrats Mike! In 12 GA Jay Warren took E1 (93) and followed that up with first places in the 20 GA D1 (92) and the .410 D1 (87). In 28 GA Mike Gerschick was CH (100) and Tom Sipe won C1 (98). Mike Gerschick was A1 HOA (394) while Jay Warren took D1 honors (363).

As you can see from the report above, Arkansas was very good to the Warrens. Jay racked up four different first in Class medals, while Ginny shot her first ever 50 straight

Elizabeth Hoskins reports that her claim to competition fame at the Zone 6 is that her shooter picks won the 28GA Calcutta!

Over at Fort Worth Trap & Skeet's Cowtown Open on August 17-19, the shooters got the benefit of cooler weather (as well as a little rain). In Doubles Howard Huber took 3rd Overall (99) by Shoot-off (SO), while Jim Speer was VT CH (95). In 12 GA Robert Nicholas' 97 got him to the shoot off to top the B1 shooters, and C. W. Dagnal's 98 was good enough for B1 in 20 GA. In 28 GA Tom Sipe was B1 (98), Ginny Warren took C1 & LY CH (99), and Jim Speer's 99 gave him ownership of VT CH.

Dallas Gun Club held its Southwest Classic (Mini & Main) the weekend of August 24th. L.P. Giambrone, III did what seems to be his run-of-the-mill perfect job, shooting another 4x100 to take HOA and win the shoot by 2 targets. Robert Nicholas took another step down his own path to perfection shooting his first ever 100 straight in the .410 of the Main! In the Mini HOA in A1 went to Mike Gerschick (198) and Robert Paxton was SS CH (197). In the Main LPG, III took third in 12 GA (100) (SO) and Jack Davis was SU CH (99) (SO). L.P. Giambrone, III closed out his perfect main events event with an RU in 20 GA (100) (SO,) a CH in the 28 GA (100) (So), and CH for the .410 Bore (100) (SO).

It's so good, let me say it again. Robert Nicholas took A1 outright (100) and had his hat "blowed" up for his perfect showing in the .410.

Remember, I am just your reporter; if you don't tell me, I can't tell your fellow club members.
