Memorial Day History

The custom of honoring ancestors by cleaning cemeteries and decorating graves is an ancient and worldwide tradition, but the specific origin of Memorial Day, or Decoration Day as it was first known, are unclear.

In early rural America, this duty was usually performed in late summer and was an occasion for family reunions and picnics. After the Civil War, America's need for a secular, patriotic ceremony to honor its military dead became prominent, as monuments to fallen soldiers were erected and dedicated, and ceremonies centering on the decoration of soldiers' graves were held in towns and cities throughout the nation.

After World War I, the day expanded to honor those who have died in all America wars.

No less than 25 places have been named in connection with the origin of Memorial Day, and states observed the holiday on different dates. In 1971, Memorial Day became a national holiday by an act of Congress; it is now celebrated on the last Monday in May.

Since it all started with the Civil War, you might want to brush up on your knowledge of this event by visiting the Library of Congress Civil War collection, which includes more than a thousand photographs.

Chicken-Fried Oysters

with Roasted Garlic-Dill Pickle Sauce

Submitted by John Nix

INGREDIENTS

Peanut Oil
1 quart all-purpose flour
1 ½ tbsp. paprika
1 ½ tbsp. garlic powder
2 tbsp. Old Bay Seasoning
2 tsp. celery seed
1 ½ tbsp. onion powder
2 tsp. thyme powder
2 heaping tsp. cayenne
3 tbsp. kosher salt
2 tsp. black pepper
4 cups shucked select oysters

PREPARATION

Fill a cast-iron skillet halfway to the top with oil and heat it to 350 degrees. (If you don't have a thermometer, flick a drop of water into the oil. If it sizzles, the oil is ready to go.)

Combine flour and all seasonings into a large bowl and mix thoroughly.

Drain oysters in a colander or strainer and then dredge them, one by one in the breading mix. When 10-12 oysters are ready, shake excess flour off and drop them gently into the skillet. Fry until golden, 3-4 minutes, turning frequently. Place on paper towel to drain and cool slightly.

Serve with garlic-dill pickle sauce on the side (see recipe below). Repeat the process until all of the oysters are gone.

Roasted Garlic-Dill Pickle Sauce

INGREDIENTS

Olive Oil
10 garlic cloves stems removed
1 cup Duke's mayonnaise
2 dill pickles, finely chopped
1 tbsp. fresh dill, minced juice from ¼ lemon
¼ tsp. cayenne
½ tsp. kosher salt
Pinch white pepper

PREPARATION

Peel garlic cloves, submerge them in olive oil in a tinfoil-covered baking dish, and bake at 350 degrees for 20-25 minutes, or until soft. Mash garlic into a smooth paste and combine with other ingredients, mixing well.

Beginner Skeet League

We had another outstanding Beginner Skeet session this year. It is always fun to work with new shooters and introduce them to the sport. Emphasis as usual, is placed on safety and having fun is stressed.

I want to give special thanks to those members that came out and donated their time and energy to making this possible – John Nix, Robert Nicholas, Gene Wills, Don Yeandle, John Basilone and Darian Mock.

We had a wide variety of shooters this year including a group with the Coppell High School Competitive Shooting Team, husband and wife teams, family groups and new shooters with varied experience.

As usual, a little bit of encouragement and coaching goes a long way in helping new shotgun shooters become more comfortable, consistent and improve their weekly scores. I look forward to this ever year. It's one of the things that makes our club special and allows us to make new friends.

Till next year.

Cheers,
Bill Schweitzer

Warren "Mr. Penny" Penwell Memorial Skeet Shoot

April 12-13 2014

We had an outstanding attendance despite the windy, rainy weather. The weather was bad enough that the .410 shoot Sunday afternoon was limited to 50 birds.

Other than that things went off like clockwork thanks in large part to all our volunteers.

Carter Wehrheim was a big winner, winning the 12, 20 and 28 gauges and HOA.

Don Snyder won the 410, demonstrating that in addition to his duties as Executive Director of the National Skeet Shooting Association he can shoot with the best.

Work Day

Workday on April 5 saw the houses loaded, new concrete parking stops installed and the Adirondack chairs refinished. The Coppell High School Shooting Team actually did most of the work in loading the houses and installing the concrete stops. Thank all of them and their coach next time you see them!

They have also been attending the Thursday night Skeet beginners league and certainly seem to be progressing along quite nicely - a very good group of young people. You can thank **Randy Walhood**, **Jeff Zwiebel** and **Darian Mock** as they made sure the spacing and installation of the stops was done properly. **Gene Wills**, **John Basilone** and **Don Ambrose** were busy mowing and preparing the grounds for the Penny Penwell Shoot. **John Nix** and **Kerry Williams** refinished the Adirondack chairs with tung oil. Pretty busy day at GPGC.

Streamlined Texas Hunter Education Process Takes Effect

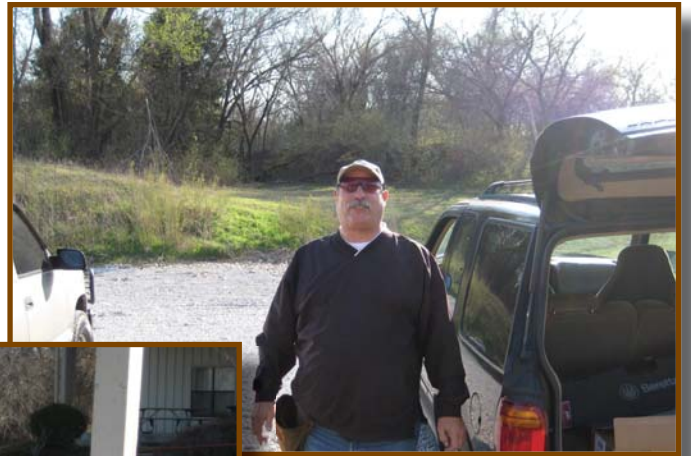

AUSTIN – Beginning Thursday, September 19, hunters who need to complete the state's required hunter education will have expanded contemporary options designed to be more convenient, flexible and accessible.

Anyone born after Sept. 1, 1971, must successfully complete a hunter education training course or purchase a one-time deferral good for one license year in order to hunt legally in Texas. The certification is valid for life and is honored in all other states and provinces.

The new options for hunter education certification include a streamlined, one-day basic course and an option for anyone 17 years of age or older to take the hunting safety training completely online. The combination online home study and 4 to 5 hour skills field day course will still be offered, as well as advanced hunter education and in high school and college courses across the state.

The basic course will introduce and demonstrate skills focused on essential core competencies of safe, legal and ethical hunting.

Since mandatory hunter education first started in 1988, the number of hunting accidents and hunting fatalities has steadily declined to less than 3 per 100,000 hunters. Few accidents involved those who had completed hunter education.

SOH shoot has been held,
Terry not only supported
us with his words, but with
his money and his time,
sponsoring a full team of
GPGC members and his
family. In 2013 Terry
showed up as a cheerleader
for his team even after he
was not physically able to
shoot. This is the first year
Terry, who passed away last
summer, will not be at the
shoot; but he will be there
in spirit. To honor Terry for
his support and friendship,
and with the enthusiastic
endorsement of Terry's wife

Silhouette Match Results March 22, 2014

We had 5 shooters this morning to compete. It was cool, moist, but not rainy, thankfully.

The participants were: Mike Horton, winner, scoring 54/60 using his Hi Standard with a red dot sight.

Jim Wilson, 2nd, scoring 51/60, and high scorer with iron sights, shooting his Thomson Contender.

Dan Brown, 3rd, scoring 45/60, shooting his Ruger Mk II & open sights.

Meredith Turney and her Dad, Jim Grabbe, both scored 43/60 each using a Walther's GSP & a red dot sight.

Halfway through the match the coin cell in Jim's red dot sight died so he borrowed a Browning Buck Mark from Mike and finished the match.

We took no pictures this AM.
