# TRA Repair Update

Finally this comes to an end. All the grading and finishing is complete and the contractors have removed all their equipment.

If you notice that the ground at the old aeration tanks west of the main building have been filled in and re-graded. This and the pipeline fill have also been sowed with grass to help with erosion.

All of us can return to our normal use of the facility.

Randy Walhood should get a big thank you from all of us for working with the TRA and their contractors.

# GPGC Pocket Pistol Match 10/11/2016

We had 6 shooters participate, it was warm but not oppressive. The shooters were;

Wesley Binney, Clint Freeman, Gary Ledbetter, Ed Dotson, David Jones, hiding behind Ed, and myself, Dan Brown behind the camera.

The winners were Ed Dotson, winner, scoring 230/300 with 2-"X"'s, shooting one handed, and Gary Ledbetter, second, scoring 204/300, shooting 2 handed. They were emphasizing the shooting rules sign, which we must observe. Congratulations, guys!

We discussed the matter of future pocket pistol shoots. From previous matches and my talking to shooters, it appears that the 2 Saturday shoots- 900 Bullseye on the 3rd Saturday and the silhouette match on the 4th Saturday is enough. I had mentioned the thought that we might hold a pocket pistol match - the next one in March 2017- be held after the bullseye match, which we might start at 5:30 PM and then be run immediately afterwards- moving the target frames from the 25 yard line to the 15 yard line and then do that shoot at 6:30-6:45 PM. So let's think about that over the winter, and how many pocket pistol matches a month that we want to run. Question-do we want to run a pocket pistol match immediately after the 900 Bullseye match? Send your thoughts on future pocket pistol matches to Jim Wilson, Gary Ledbetter, David Jones or myself. Thanks. The score sheet is given below.

For the GPGC Pistol committee,

Dan Brown

## GPGC Bullseye Match 10/13/2016

We had 9 shooters participate this afternoon. It was nice fall weather- it couldn't have been nicer! The shooters were :

Clint Freeman, David Jones, Wesley Binney, Ron McCuller, Jim Wilson, Mike Horton, Hoa Nguyen, Jim Grabbe, and myself Dan Brown ( behind the camera).

The winners were Hoa Nguyen, winner, pointing to the target frame damage done by lousy shooters; he scored 270-4 "X" with a M 1911 -22 conversion and Jim Grabbe, second, holding the damaged frame; Jim scored 267-7"X" with a Walthers GSP 22.

Both used a 1-hand hold on their guns.

Congratulations guys

Thanks to Jim Wilson, Ed Dotson, and Jim Grabbe for regularly repairing target frames. We have a bunch of really dilapidated frames!

The shooters this afternoon were:

Dan Brown, Floyd Jester, Gary Ledbetter, hiding behind Floyd, Ron McCuller, Hoa Nguyen, Clint Freeman, Jim Grabbe, Ed Dotson, and David Jones. Jim Wilson took the pictures.

Thanks, Jim.

## GPGC Silhouette Match 10/22/2016

We had 5 shooters participating this morning. It was cool and a beautiful time for a match. Too bad not more showed up. The participants were as follows:

Hoa Nguyen, Jim Wilson, Floyd Jester, Ron Pennington and Dan Brown not shown (taking the picture).

The high scorers Hoa Nguyen, winner, scoring 57/60 with a M1911 -.22 conversion , 1 hand hold  
Floyd Jester, Second, scoring 54/60 with a S&W M 617 .22 REVOLVER, shooting 2 handed, sometimes DOUBLE ACTION(!!).

Congratulations,guys!

The score sheet is given below.

My Ruger Mk II's extractor failed ~ 1/2 way thru the match, so I could not continue..

I would liken the silhouette match to be a bullseye match with 60 slow fire targets at 3 different ranges with 2 shots allowable for each target. Those who can do well with slow fire can excel here... My \$.02. ...

## GPGC Bullseye Match 10/27/2016

It is our next to-last match of the "summers' season, with daylight savings time about to go away. It was a nice afternoon,. We had to hurry and get the pictures as the daylight was going away. The shooters that participated this afternoon were:

Floyd Jester, Gary Ledbetter, Hoa Nguyen, Jim wilson, Jim Grabbe, Ed Dotson and myself, Dan Brown taking the picture

The high scorers were: Gary Ledbetter, winner, scoring 280-6"X", with a S&W Victory .22 , shooting 2 handed, and Ed Dotson, second, scoring 269-6"X" , with a M1911 -.22 conversion, shooting ONE handed. Congratulations, guys.

Jim Wilson bought 1 set of new steel silhouette targets to replace the ones we have been shooting at for ~ 10 years and are in need of replacement. These steel targets are made of 1/4" thick steel instead of the 3/16" thick targets we now use. We discussed whether we want to shoot all targets at 25 yards , change to 1 shot per target, We need input from you, the shooters, as to whether we shoot all targets at 25 yards, keep up the 15 yard , small chickens , and then 6 targets at 25 yards and the set of 4 targets at 50 yards as we have been using. Also it has been suggested we have an end of season dinner at some restaurant close by after the next/last match. On both of these items send in your thoughts to Jim Wilson or myself and we will tally the votes on the silhouette shooting , and the place to eat after last bullseye shoot dinner. The score sheet is given below.
